God is All Lillian De Waters, 1928 **The Christ Within** Lillian Dewaters, 2007-03-01 Christian Science axiom dictates that it is faith in God that will heal all physical and mental ills In *The Christ Within* first published in 1925 Lillian De Waters provides a poetic and persuasive argument for the thesis that the power to heal oneself lies within the individual and is a matter sometimes of mental effort and sometimes of spiritual effort And while health generally connotes physical soundness De Waters addresses a more holistic view arguing that the way to peace of mind body and soul lies through the glorious embrace of Christ American spiritual thinker LILLIAN DE WATERS b 1883 was one of the first students of Christian Science eventually breaking off on her own to stress the inseparability of Jesus Christ and the primary divine force thereby falling between Christian Science and Orthodox Christianity She is also the author of *The Hidden Truth* and *The Great Answer the Message of Ontology* *In His Name* Lillian DeWaters, 2014-11-26 In this book *In His Name* the author brings the highest language that she knows The highest practice is the science of Intelligence wherein that which is known to be all there is and that which is not is known to be nothing As the science of the mentality called the art of right thinking is above and beyond the science of the body called physiology so the science of Intelligence is above and beyond the science of mind or right thinking and this book is written in His name the name of Truth that immortals may drink with me of the river of the water of Life Truth establishes you and holds you forever what you are Rise then in your own name which is His name for there is none other name whereby you shall know emancipation In His

Name the name of Truth behold yourself as you are perceive Truth as Truth is Then will you find yourself in the land of peace and wholeness and in the world of joy and delight Lillian DeWaters *The One* Lillian DeWaters,2014-07-26 This book includes a marvelous message of the Absolute teaching and each chapter assists the reader to move beyond a mental level of knowing Truth to one of an experience of Truth the Eternal which is within your very being right now The Absolute teaching is about recognizing that the Eternal Self does not need improving or healing or illumination and has been waiting to be recognized by each person Every page unveils insights and leads to epiphanies and greater wisdom and vision The book is a divine gift and could be considered a complete teaching which includes the principles and all that is necessary for those who have prepared to rise into an entirely new state of being in the world which is that of Oneness of Truth With the realization of Oneness there comes an inner assurance that whatever is necessary in the nature of finances health or relationships will be provided without struggling to attain them As the author has said One studies Truth that he may experience uninterrupted harmony that he may enjoy absolute freedom that he may clearly perceive the nothingness of all dreams of sin sickness and death and demonstrate continual peace joy and harmony **Light of the Eternal** Lillian Dewaters,2014-07-04 From the first page to the last Light of the Eternal reveals the Truth about every person s real identity and the enormous opportunities available right now to those who accept this Truth The author makes it clear that the mortal existence with all of its limitations and problems can be risen above This higher state of being I Am That I Am is our destiny and she shares how this may be accomplished in the world Much more than just being the title for this book Light of the Eternal is an experience Throughout the book the author reveals the option to accept the Light of the Eternal as our destiny which has been waiting for everyone who is ready to receive it In a sense the message of the book is a divine invitation and it is priceless The way of life being presented to everyone as a choice cannot be described or compared to what is thought of as human existence The experience of this new life is one of beauty love purity and is to a great extent free of the discords lack and battles of good and evil The book reveals the way to this existence comes only through the heart With the heart one loves the Real as It is Light pervades his whole existence He walks in the kingdom of the Self where freedom love and bliss forever abide Lillian DeWaters **The Voice of Revelation** Lillian DeWaters,2014-05-21 For those who are serious seekers this book s summary is intended to inform you of the enormous opportunity that exists through Lillian DeWaters writings The Voice of Revelation is the last of over 30 significant books by this author and most of them reveal teachings from The Absolute In this book she has unveiled the hidden mystical principles which are so essential for reaching and more importantly for sustaining an awakening experience She gives viable principles to live by which were actually revealed by Christ Jesus and yet are still very little understood by most people today For the person who is serious and ready to live in and as an enlightened state of being in the world this book will be recognized as a vital source of Truth that is difficult to put down Every page reveals precious gems as the author shares her experiences and unfoldments Through the study of this book there will likely be a growing

conviction that it is possible right now to live an awakened life This is actually your destiny and not something you will need to wait for to experience in a future lifetime The only caveat is that you must know these principles and then actually live them This is the entire purpose of the book to provide you with a clear understanding of everything necessary for you to have the experience in this lifetime It would be to understand how to live without need of healing to be ever conscious of wholeness completeness happiness and abundance Lillian DeWaters The Voice of Revelation India's Gracious Gift To Mankind Crystaqueous,2010-02 INDIA S GRACIOUS GIFT TO MANKIND IS 1 A book about mortality being clothed upon with Blissful Immortality in the Here and Now 2 A book which succinctly renders the concepts of birth ageing disease suffering and death as though they NEVER were 3 A book which is designed to strip the swaddling clothes of delusion from the entire human race 4 The Crest Of The Wave that ushers in in all Its Glorious Fullness the Truth regarding Transcended God Consciousness and Body Ascension which sweeps the earth clean of mortal or death consciousness in a single generation 5 The revelation that Man erases his every limitation through His True Divine Self completely arisen 6 A book which defines the other delusion called Self realization 7 A book revealing the True Nature of The Greater Works showing in no uncertain terms that the Ascended Master identifies Him or Herself alone with and as the Reality of Absolute Perfection and therefore does not in any instance deal with delusion 8 A Prophetic View of America and the world beyond from the significant viewpoints of The Ascended Masters of the Far East The Hopi Prophecy and the Mayan calendar ending Dec 21 AD 2012 www.usunlimited.co.uk Is Dedicated to the Timeless Emanation of Infinite Consciousness in Boundless Expression As Immortality and Perfection Absolute In Radiant Light Body or Physical Form Here Now and Always **Light** Lillian De Waters,1950 **Private Lessons** Lillian DeWaters,2014-08-17 This book of lessons includes many marvelous opportunities for anyone who is ready to explore these Absolute Teachings and discover the Truth This Truth is the very truth which shall set us free today As man our days are limited our power restricted our life outside our control but as Truth Itself Life Itself the Way Itself all power is ours joy peace abundance are now all within our reach One of the most important experiences we are given while reading this book is the opportunity to lift the veil to see beyond the dream of mortal sense to the true Self This is a progressive realization throughout the book and as a person begins to take on that Joy of Life that Peace that passeth understanding brings them to a new sense or meaning about health and abundance As these become as an outpouring of Truth Itself the Fountain will never run dry The author reveals how each of us writes our own Book of Life and as we discover this perspective our viewpoint is to simultaneously deliver into our own hands the key which opens for us the door of paradise We are reminded that it is our practice of the principles that allows us to prove them and in this way we practice being our true Self For in what other way can the self realize it is All *God, Harlem U.S.A.* Jill Watts,1992-01-10 How did an African American man born in a ghetto in 1879 rise to such religious prominence that his followers addressed letters to him simply God Harlem U S A Using hitherto unknown materials Jill Watts portrays the life and career of one of the

twentieth century's most intriguing religious leaders Father Divine Starting as an itinerant preacher Father Divine built an unprecedented movement that by the 1930s had attracted followers across the nation and around the world As his ministry grew so did the controversy surrounding his enormous wealth flamboyant style and committed angels black and white rich and poor alike Here for the first time a full account of Father Divine's childhood and early years challenges previous contentions that he was born into a sharecropping family in the deep South While earlier biographers have concentrated on Father Divine's social and economic programs Watts focuses on his theology which gives new meaning to secular activities that often appeared contradictory Although much has been written about Father Divine God Harlem U S A finally provides a balanced and intimate account of his life's work
