God In Search Of Man A Philosophy Of Judaism:

God in Search of Man Abraham Joshua Heschel, 1955 Abraham Joshua Heschel was one of the most revered religious leaders of the 20th century and *God in Search of Man* and its companion volume *Man Is Not Alone* two of his most important books are classics of modern Jewish theology *God in Search of Man* combines scholarship with lucidity reverence and compassion as Dr Heschel discusses not man's search for God but God's for man the notion of a Chosen People an idea which he writes signifies not a quality inherent in the people but a relationship between the people and God It is an extraordinary description of the nature of Biblical thought and how that thought becomes faith **God in Search of Man** Abraham Joshua Heschel, 2025-05-28 Abraham Joshua Heschel's *God in Search of Man* is a thought provoking exploration of the dynamic relationship between humanity and the divine In this seminal work Heschel a distinguished theologian and philosopher reflects on the nature of God's pursuit of a meaningful connection with human beings Through a blend of Jewish thought mysticism and ethical philosophy the author discusses the challenges and responsibilities inherent in the human quest for understanding and closeness to the divine Heschel's profound insights delve into the spiritual dimension of existence emphasizing the significance of religious experience and ethical living *God in Search of Man* serves as a compelling and timeless meditation on the intricate interplay between God and humanity offering readers a profound perspective on the meaning and purpose of life within the context of faith and spiritual inquiry **God in search of man** Abraham Joshua (Philosoph) Heschel, 1972 *Man Is Not Alone* Abraham J. Heschel, 2025-08-22 *Man Is Not Alone* is a profound beautifully written examination of the ingredients of piety how man senses God's presence explores it accepts it and builds life upon it Abraham Joshua Heschel's philosophy of religion is not a philosophy of doctrine or the interpretation of a dogma He erects his carefully built structure of thought upon foundations which are universally valid but almost generally ignored It was *Man Is Not Alone* which led Reinhold Niebuhr accurately to predict that Heschel would become a commanding and authoritative voice not only in the Jewish community but in the religious life of America With its companion volume *God in Search of Man* it is revered as a classic of modern theology *The American Judaism of Mordecai M. Kaplan* Emanuel Goldsmith, Mel Scult, Robert Seltzer, 1992-10 Mordecai M Kaplan a pioneering figure in the reinterpretation and redefinition of Judaism in the 20th century embraced religious liberalism naturalism and empiricism and gave expression to a unique American attitude in philosophy and theology This volume the first comprehensive treatment of Kaplan since his death in 1983 illustrates Kaplan's links to traditional Jewish roots and demonstrates his evolutionary philosophy of Jewish culture his Zionist orientation and the vast range of his thought and action The volume also features a complete bibliography of Kaplan's writings Choice A must for every serious thinker probing American Jewish culture history and theology Alfred Gottschalk President Hebrew Union College Jewish Institute of Religion These highly knowledgeable essays provide us with a new and more complex image of a central personality in 20th century American Jewish life They are indispensable for

understanding the influences that helped shape Mordecai Kaplan's thought and personality the nature of his relationships with significant contemporaries and the various aspects of his ideology and practical program for American Jewry Professor Michael A Meyer Department of Jewish History Hebrew Union College Jewish Institute of Religion This leading American Jewish thinker of the pre war period is still the point of departure for any attempt to construct a Judaism for this new age in the history of the Jewish people The volume brings them an and this thought to life Dr Arthur Green President

Reconstructionist Rabbinical College **The Jews as a Chosen People** S. Leyla Gurkan, 2008-12-05 The concept of the Jews as a chosen people is a key element of the Jewish faith and identity This book explores the idea of chosenness from the ancient world through modernity and into the Post Holocaust era Analysing a vast corpus of biblical ancient rabbinic and modern Jewish literature the author seeks to give a better understanding of this central doctrine of the Jewish religion She shows that although the idea of chosenness has been central to Judaism and Jewish self definition it has not been carried to the present day in the same form Instead it has gone through constant change depending on who is employing it against what sort of background and for what purpose Surveying the different and sometimes conflicting interpretations of the doctrine of chosenness that appear in Ancient Modern and Post Holocaust periods the dominant themes of Holiness Mission and Survival are identified in each respective period The theological philosophical and sociological dimensions of the question of Jewish chosenness are thus examined in their historical context as responses to the challenges of Christianity Modernity and the Holocaust in particular This book will be of interest to scholars and students of Jewish Studies the Holocaust religion and theology **Abraham Joshua Heschel** Shai Held, 2013-11-04 Through Heschel Held's work reaches out more broadly to treat us to a profound discussion of the great issues in contemporary Jewish theology Arthur Green Hebrew College Rabbinical School Abraham Joshua Heschel 1907-1972 was a prolific scholar impassioned theologian and prominent activist who participated in the black civil rights movement and the campaign against the Vietnam War He has been hailed as a hero honored as a visionary and endlessly quoted as a devotional writer In this sympathetic yet critical examination Shai Held elicits the overarching themes and unity of Heschel's incisive and insightful thought Focusing on the idea of transcendence or the movement from self centeredness to God centeredness Held puts Heschel into dialogue with contemporary Jewish thinkers Christian theologians devotional writers and philosophers of religion Shai Held's book is a master class in one of the most significant Jewish voices of our time Tablet In this lucid and elegant study one of the keenest minds in Jewish theology in our time probes the vision of one of the most profound spiritual writers of the twentieth century uncovering a unity that others have missed and shedding light not only on Heschel but also on the characteristically modern habits of mind that impede the knowledge of God The book is especially valuable for the connections it draws with other philosophers theologians and spiritual writers Jewish and Christian Enthusiastically recommended Jon D Levenson Harvard University A thoughtful illuminating new study of Heschel's thought It is one of the many virtues of Shai Held's book that it

helps us to place Heschel alongside not only Kaplan but Halevi Horovitz and Rav Nahman as well as the Psalmist Jewish Review of Books Abraham Joshua Heschel and the Sources of Wonder Michael Marmur, 2016-01-01 Abraham Joshua Heschel and the Sources of Wonder is the first book to demonstrate how Heschel's political intellectual and spiritual commitments were embedded in his reading of Jewish tradition Coherent Judaism Shai Cherry, 2021-06-29 Coherent Judaism begins by excavating the theologies within the Torah and tracing their careers through the Jewish Enlightenment of the eighteenth century Any compelling contemporary Judaism must cohere as much as possible with traditional Judaism and everything else we believe to be true about our world The challenge is that over the past two centuries our understandings of both the Torah and nature have radically changed Nevertheless much Jewish wisdom can be translated into a contemporary idiom that both coheres with all that we believe and enriches our lives as individuals and within our communities Coherent Judaism explains why pre modern Judaism opted to privilege consensus around Jewish behavior halakhah over belief The stresses of modernity have conspired to reveal the incoherence of that traditional approach In our post Darwinian and post Holocaust world theology must be able to withstand the challenges of science and history Traditional Jewish theologies have the resources to meet those challenges Coherent Judaism concludes by presenting a philosophy of halakhah that is faithful to the covenantal aspiration to live long on the land that the Lord our God has given us *Here All Along* Sarah Hurwitz, 2019-09-03 A renowned political speechwriter rediscovers Judaism finding timeless wisdom and spiritual connection in its age old practices and traditions Sarah Hurwitz was Michelle Obama's head speechwriter and with this book she becomes Judaism's speechwriter Adam Grant New York Times bestselling author of Give and Take Originals and co author of Option B After a decade as a political speechwriter serving as head speechwriter for First Lady Michelle Obama a senior speechwriter for President Barack Obama and chief speechwriter for Hillary Clinton on her 2008 presidential campaign Sarah Hurwitz decided to apply her skills as a communicator to writing a book about Judaism And no one is more surprised than she is Hurwitz was the quintessential lapsed Jew until at age thirty six after a tough breakup she happened upon an advertisement for an introductory class on Judaism She attended on a whim but was blown away by what she found beautiful rituals helpful guidance on living an ethical life conceptions of God beyond the judgmental bearded man in the sky none of which she had learned in Hebrew school or during the two synagogue services she grudgingly attended each year That class led to a years long journey during which Hurwitz visited the offices of rabbis attended Jewish meditation retreats sat at the Shabbat tables of Orthodox families and read hundreds of books about Judaism all in dogged pursuit of answers to her biggest questions What she found transformed her life and she wondered How could there be such a gap between the richness of what Judaism offers and the way so many Jews like her understand and experience it Sarah Hurwitz is on a mission to close this gap by sharing the profound insights she discovered on everything from Jewish holidays ethics and prayer to Jewish conceptions of God death and social justice In this entertaining and accessible book she shows us why Judaism matters and

how its message is more relevant than ever and she inspires Jews to do the learning questioning and debating required to make this religion their own Searching for meaning in the ancient scripture and traditions of Judaism Sarah Hurwitz takes us along on an enriching journey of discovery In Here All Along she explores her birthright as a Jew and finds timeless and valuable life lessons David Axelrod director of the University of Chicago Institute of Politics and former senior advisor to President Barack Obama **David Novak: Natural Law and Revealed Torah** Hava Tirosh-Samuelson, Aaron W.

Kulathungam, 2019-12-09 Why bother with God when he is viewed as a sacred superstition a discarded non entity or a pretext for religious wars Jews and Christians have doubted and discarded God at many times throughout the ages and have also justified countless conflicts in his name Their history however tells a different story Here we observe the historical reality of God s relentless quest to relate with people whether Jew or gentile Despite significant differences between these communities this is the DNA that binds them and places them in a paradigm different from the one articulated in The Quest Christ Amidst the Quest where people are seeking to be freed from their predicament The Judeo Christian narrative shows God s incessant quest orchestrated through various channels such as scriptural revelation miraculous interventions covenantal commitments divine presence in the tabernacle or the temple God s sacrificial incarnation in Christ and the advent of the anticipated Jewish Messiah The narrative climaxes in a grand finale when humans and their habitat will be ushered into an age of peace and harmony Journeying through such a narrative will provide assurance that God is walking

us today In Walking in the Dust of Rabbi Jesus we ll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus day and consider how hearing Rabbi Jesus with the ears of a first century disciple can bring new meaning to our faith And we ll listen to Jewish thinkers through the ages discovering how ideas that germinated in Jesus time have borne fruit Doing so will yield fresh practical insights for following our Rabbi s teachings from a Jewish point of view
