God Is One In The Bible Not A Trinity:

God Is One in the Bible, Not a Trinity Benjamin Breece, 2014-11-08 I grew up in the Seventh day Adventist Church which today is staunchly Trinitarian I was taught to believe that God had guided the founders of that church and that the church was continuing to preach the same message The moment of crisis came to me when I learned that the Seventh day Adventist Church had been very Anti Trinitarian during the lifetime of the church pioneers The church was heavily criticized by mainstream Christians for leading people away from the Trinity It did not become Trinitarian until well into the 20th Century This led me to seriously look at the evidence for and against the Trinity for the first time Obviously there are many texts that can be interpreted in a Trinitarian way I needed to establish if the Trinity was something that could be drawn out of Scripture or if it needed to be read into the texts I decided to put all of my preconceptions aside and study everything in an objective manner and not accept anything that couldn't be clearly established from Scripture This book is the result of that study

Is God a Trinity? United Church of God, 2011-08-02 You might be surprised to find that God is not a trinity The Trinity is one of mainstream Christianity's most widely accepted and revered doctrines held by millions of Catholics Protestants and Orthodox believers The belief that God is three persons the Father Son and Holy Spirit coexisting in one being is how the trinity doctrine is often defined But the word trinity appears nowhere within the pages of the Bible You can not cling to long held religious traditions if they contradict the Scriptures Your beliefs must rest solidly on the teachings of the Holy Bible This Bible Study aid Is God a Trinity goes into great detail explaining the non biblical origins of the trinity and how this false gospel replaced the true teachings of Jesus Christ Discover how the Bible communicates a true picture of God and learn about the awesome plan He has promised for you and all mankind Chapters in this ebook Is the Trinity Biblical The Surprising Origins of the Trinity Doctrine Greek Philosophy's Influence on the Trinity Doctrine How Ancient Trinitarian Gods Influenced Adoption of the Trinity A Spurious Reference to the Trinity Added in 1 John 5:7-8 How Is God Revealed in the Bible Jesus Was Sent by the Father Jesus Christ The Rock of the Old Testament The Apostles Understood Jesus to Be the Creator Did Jesus Christ Claim to Be God In the Beginning Was the Word The Claim of Jesus Disciples There Is One God the Father and One Lord Jesus Christ God's Plan to Bring Many Sons to Glory Jesus Christ's Submission to the Father How Is God One The Lord Our God the Lord Is One Seven Scriptures That Debunk the Trinity as a Single Being Elohim The Plurality of God Is the Holy Spirit a Person Does Matthew 28:19 Prove the Trinity Why the Holy Spirit Is Sometimes Incorrectly Referred to as He and Him What About Passages That Prove the Trinity The Holy Spirit God's Transforming Power How to Stir Up God's Spirit God's Nature and Character God's Purpose for You The Likeness of God Do Some Verses Deny a Divine Family The God Family Inside this Bible Study Aid ebook Most people assume that everything that bears the label Christian must have originated with Jesus Christ and His early followers But this is definitely not the case Many historians and religious scholars some quoted in this publication attest to the influence of Greek or Platonic philosophy in the development

and acceptance of the Trinity doctrine in the fourth century God the Father is the One who calls us to baptism and a new way of life John 6 44 65 and it is His goodness that leads us to repentance and baptism Romans 2 4 As even the New Catholic Encyclopedia quoted from earlier acknowledges The majority of New Testament texts reveal God's spirit as something not someone this is especially seen in the parallelism between the spirit and the power of God Is God One or Three? Donald Werner,2017-07-30 Does the Godhead consist of one being or three beings The doctrine of the Trinity while supported and taught by all Christian denominations lacks Biblical evidence Yet the Scriptures are not silent on any such teachings In this book I will use hundreds of verses to positively demonstrate that as far as the Scriptures are concerned there is no Trinity The whole idea of a Trinity did not originate from the Scriptures but from the human mind If the Trinity is not true then to teach it is to blaspheme God and it is spiritual adultery to worship the Trinity We can't afford to get this wrong Jesus himself ties eternal life to knowing that God is one Reading this book will leave no doubt in your mind about the plurality of God

God With Us and Without Us, Volume One Imad N. Silas Kanyabigega DMin,2017-02-24 God required the price to remove his anger against the humankind who offended him He wanted to see in that price a death with bloodshed as evidence demonstrating a sacrifice for the forgiveness of the sinners For God all sinners had to die So when Jesus died the corpse of Jesus represented the corpse of all sinners God was satisfied when he saw the corpse of Jesus God put in his mind that he had killed all mankind The punishment was then given and the problem between him and the humankind was resolved Jesus Christ's corpse has ability to be the price required by God His blood as a killed sacrifice is the evidence of the death required by God The blood of animals was not needed in the mankind's salvation process The blood required by God was to be a mankind's blood This blood had to come from the death of a perfect person perfect as God himself The problem was only to be solved by the blood of God himself because only God is perfect But God could only die by taking human form that is why the Second Person of the Trinity Jesus Christ descent to earth to die in the place of humankind through an agonizing death at the cross of Golgotha and therefore he paid the price required by God Then God died as self substitution for men He was God man In beliefs of different world religions we can't find any other god who died for people Only God in whom Christians believe in died for humankind and he had risen He is alive Only the Faith in God propitiated for sinners is True Faith and other beliefs are false faith **Skeptics Answered** Dr. James Kennedy,2011-10-05 D James Kennedy takes on some of the most asked questions regarding the validity of the Christian faith in **Skeptics Answered** In clear unassuming language Dr Kennedy examines the reliability of the Bible the nature of God and Christian faith in the face of life's harsh realities **Skeptics Answered** uses factual well reasoned arguments to affirm the faith of Christians everywhere Ideal for both personal and group study it makes an excellent gift for any non believer who as a matter of intellectual integrity is willing to consider the clear evidence for the Christian faith **The Morning Star and Free Baptist** ,1907 *Systematic Theology, Volume One* Stephen J. Solving Bible Mysteries Dennis James Kennedy, 2000 Often a Bible passage's meaning is obvious. But sometimes Scriptures seem incomprehensible even contradictory. How do we as believers correctly interpret these puzzling passages? The author of *What If Jesus Had Never Been Born* and *What If the Bible Had Never Been Written* takes an in-depth look at passages of Scripture that are difficult to understand. From an overview of the dichotomy of faith versus works to the meaning behind I John 3:9, "Whoever has been born of God does not sin," NKJV, *Solving Bible Mysteries* offers powerful insight on some of Christianity's challenging questions.

Dr. Jerry Falwell, Founder of Liberty University, A compendium of charts, time lines, lists, and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole: the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts, and holidays, and the 12 disciples. Most of the charts use a variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is *How We Got the Bible*, which provides a time line of translation history, comparisons of canons among faiths, and portraits of important figures in biblical translation, such as Jerome and John Wycliffe. The book

then presents a section of maps followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally a section on Christianity, cults and other religions describes key aspects of history and doctrine for certain Christian sects and other faith traditions. Overall the authors take a traditionalist conservative approach. For instance they list Moses as the author of the Pentateuch, the first five books of the Hebrew Bible, without making mention of claims to the contrary. When comparing various Christian sects and world religions the emphasis is on doctrine and orthodox theology. Some chapters however may not completely align with the needs of Catholic and Orthodox churches. But the author's leanings are muted enough and do not detract from the work's usefulness. As a resource it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference, stuffed with facts and illustrations.
