Salvation Manual Nsikan E. Johnny,2024-08-01 Salvation Manual Bible Made Easy through Questions and Answers for the book of Matthew is one of several books in the Salvation Manual Bible Made Easy through Questions and Answers series Like other books in the series it adopts a questions and answers pattern in identifying and breaking down biblical truths in a way that will be easily understood and internalised In a spectacular method of using questions and answers it unravels every message event and character from all the chapters in the book of Matthew The book consists of twenty eight chapters one for each chapter of the book of Matthew The questions

and answers are placed at the end of each chapter to assess the degree to which the reader understands the chapter read as well as how much of the details of the chapter they retained The book makes the reader study every chapter of the book of Matthew in two directions the forward and reverse directions The chapter of the book of Matthew at the beginning of each chapter of this book is the first point of contact for the reader which they have to read and understand what is contained in the chapter After that are questions from the chapter and answers at the end of the questions with which the reader would test their knowledge of what they had read in that chapter These questions and answers segment presents the reader with problems which points them back to the Bible for confirmation or further studies the forward and reverse directions The approach to Bible studies presented in this book is remarkable as it will take its reader a step above regular Bible reading to be fully grounded in the details of the events and messages in the scriptures The book is a tool that can challenge one s knowledge of the scripture serve as a Bible study guide and reveal vital information that might have been overlooked or missed in the course of one s study of the scriptures

Single Parenthood: A deviation from Gods design David Waithera,2025-06-09 In a world captivated by digital perfection the image of a happy single parent family often parades boldly across social media feeds Flawless pictures of smiling parents and cheerful children circulate with messages of resilience and empowerment Single and winning they declare We don t need anyone to complete us But behind the filters hashtags and curated captions lies a reality few dare to confront the single family model especially when born out of human error broken relationships or abandonment is deeply flawed and emotionally disruptive The pain silence and confusion often felt by both parent and child are rarely voiced The applause of outsiders becomes a veil that hides the cracks within The silence becomes the agreement The dysfunction becomes the norm This book is not a condemnation It is a cry for reflection It is a call to biblical truth not denominational bias not legalism not cultural shame It is a plea to reconsider what we have accepted as normal It seeks to restore honor to God s original order for family and expose the consequences of ignoring that order It advocates for healing not through pride or self sufficiency but through acknowledgment repentance and submission to God s design Single parenthood when born out of loss such as the death of a spouse is biblically acknowledged and divinely provided for The widow and the orphan hold a special place in God s heart But single parenthood born out of rebellion infidelity or pride carries consequences spiritually emotionally and socially And these consequences do not disappear because we refuse to name them This book is written for everyone the single parent the child of a single parent the young man or woman heading down a dangerous path the church leader the Christian cultural commentator and anyone hungry for truth It is time to pull back the curtain It is time to think again And more than anything it is time to return to the heart of God

Asci,2011-05-09 In contrast to the popular view of human sexuality the Catholic Church promotes an understanding that not only includes unique considerations on the ethical level but also appreciates the most profound aspects of sexuality In this insightful study Donald Asci shows how the Catholic concept of sexuality and sexual intercourse articulates the ethical norms by which these profound realities are preserved The teachings of the Church open the path to a fulfillment that only the deepest aspects of sexuality can supply Beyond the moral norms of the Church s sexual ethics lies a theology of sexuality that recalls what is at stake in the realm of sexual activity Thus the Church not only affirms marriage as the only morally acceptable context for sexual intercourse but also develops a specific concept of the conjugal act for husband and wife Asci s study is a great help in showing the beauty of the Church s teaching on the truly personal character of the conjugal act as love giving life giving grace giving and in providing the wider theological understanding of the human person male and female that serves as the context for this teaching William E May Author Marriage The Rock on Which the Family is Built
