God's Money Tad Hutton, 2009-08 Four fishermen find twenty million dollars on an island Now they have to keep the cash from the drug cartel and pirates who claim it The setting for this thrill and laugh a minute tale is the notorious Palawan Passage in the South China Sea Deacon and his friends face off the criminals and then deal with a greedy churchman and competing nations who claim ownership of the island A renegade American a beautiful schoolteacher and a Japanese hermit drive this tale to its exciting conclusion Novel based on actual events

God's Money An Ordinary Guy Production, 2025-04-15 *God's Money What Tithing Does for You* was written because the author had believed a lot of lies in regard to handling money in a godly way The best thing Ordinary Guy ever did was to decide he was going to stop believing what people told him to think about what is written in the Bible and just believe what is written The work of the Holy Spirit in the life of the author as he read the Bible has shown him a lot of truths that he didn't know existed including about money The personal testimony included may be similar to the story of many people or it may be very different but what the Bible says will be the same and the impact of believing what is written has led to financial freedom for the author One of the benefits of the Bible is that the principles within it are timeless but the tricks the devil uses to prevent people from applying what is written are effective when we are ignorant of what the Bible contains Faith grows over time including faith in the blessings of tithing and like many faith journeys what you learn along the way is just as valuable as the end result

Managing God's Money Randy Alcorn, 2011 Jesus says more about how we are to view and handle money and possessions than about any other topic including both heaven and hell Alcorn breaks down exactly what the Bible has to say about how we are to handle our money and possessions in a simple easy to follow format

God Money, God Power, Where Is God Love? Aida Luz Morales Seda,2022-03-16 God Money God Power Where is God Love is not about religion and it is not about politics It is a message I wanted to share with the world that money is not as important if our hearts are filled with so much love Love leads us to understanding and shows gratitude toward others I express my deepest love for humanity and my heart is open for all the children in this world believing that these young children are the ones who open the doors to a better future This cannot be done by one person alone It starts in the home with proper guidance and values as the foundation Along with these values our society needs to come together hand in hand in order to lead these children to a better and more successful future This may seem like an impossible dream but the reality of it is that we need to realize our dreams and start putting them into action All things are possible to accomplish when there is love understanding and humility toward each other While we continue working on our dreams they can become a reality through our values Let s hold hands together and continue to follow this path
