Goddesses Three, Vol. 1 of 2 D. Hugh Pryce, 2018-01-24 Excerpt from *Goddesses Three* Vol 1 of 2 A Novel That cry was the keynote Of a tragedy and no one could have heard it without realizing its significance The hour was so late that the inmates of the house had most of them long been sunk in sleep and the moonlight shone On the blank panes of the windows from which all the lights had died out but in an oriel corresponding to the one from which the alarm had come the yellow glow Of artificial light was yet to be seen and within this room a student sat reading by a shaded lamp The young man who was powerfully built and Of proportions so immense as to be almost Titanesque was bending over a heavy ancient looking volume of dry as dust appearance and he was completely absorbed in it so completely as to have become entirely oblivious of the ight of time and the waning light of the lamp in which the Oil was getting low but at the sound of the pistol shot he looked up with a start and as the cry which succeeded it fell upon his ear he sprang to his feet Great Scott What was that P he exclaimed in the English language something has happened He paused listening intently and through the window the lattice of which was partly open there came again that terrible cry the heart rending shriek of a woman calling for help It came again and again apparently from outside but as it rose higher and higher a dreadful thought ashed suddenly into the listener s mind He dashed out of the room and down the spiral stairs then up again by another Winding ight and he did not stop until he reached the room from which the screams came A gray haired man servant was before him and was standing at the door which he vainly tried to open It is locked Herr Baron said the old man in a shaking voice we cannot get in and the Baroness is screaming so that she does not seem to hear What can have happened P The younger man ung himself against the door with all the force of his immense size and strength About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Goddesses Three: a Novel** Daisy Hugh
