Humanities ,2002 Producing Culture Laura Ernestina Ruberto,1999 **The Warmest Room in the House** Steven Gdula,2008-12-04 The first book that puts the hearth of the American home its many unique challenges and innovations in its proper place in contemporary history Thomas Jefferson once wrote that if you really want to understand the workings of a society you have to look into their pots and eat their bread Steven Gdula gives us a view of American culture from the most popular room in the house the kitchen Examining the relationship between trends and innovations in the kitchen and the cultural attitudes beyond its four walls Gdula creates a lively portrait of the last hundred years of American domestic life The Warmest Room in the House explores food trends and technology kitchen design appliances and furniture china and flatware cookery bookery food lit and much more Gdula traces the evolution of the kitchen from the back room where the work of the home happened to its place at the center of family life and entertainment today Filled with fun facts about food trends from Hamburger Helper to The Moosewood Cookbook and food personalities from Julia Child to Rachael Ray The Warmest Room in the House is the perfect addition to any well rounded kitchen larder Gramsci, Migration, and the Representation of Women's Work in Italy and the U.S. Laura E. Ruberto,2007-08-20 This book considers cultural representations of four different types of labor within Italian and U S contexts stories and songs that chronicle the lives of Italian female rice workers or mondine testimonials and other narratives about female domestic servants in Italy in the second half of the twentieth century including contemporary immigrants from non western countries cinematic representations of unwaged household work among Italian American women and photographs of female immigrant cannery labor in California These categories of labor suggest the diverse ways in which migrant women workers take part in the development of what Antonio Gramsci calls national popular culture even as they are excluded from dominant cultural narratives The project looks at

Italian immigration to the U S contemporary immigration to Italy and internal migration within Italy the emphasis being on what representations of migrant women workers can tell us about cultural and political change In addition to the idea of national popular culture Gramsci's discussion of the social role of subalterns and organic intellectuals the politics of folklore or common sense and everyday culture and the necessity of alliance formations among different social groups all inform the textual analyses An introduction which includes a reconsideration of Gramsci's theories in light of feminist theory argues that the lives of subaltern classes such as migrant women are inherently connected to struggles for hegemony A brief epilogue on a lesser known essay by photographer Tina Modotti closes the discussion
