

## Godly Play Script

Godly Play is a creative, innovative and experiential way of helping both children and adults engage with the stories in the Bible. Before using a Godly Play script for the first time read the document [How to Use Godly Play](#) which also tells how to find more help if Godly Play is new to you. You will need to allow time to gather the materials and objects needed for the script and also to practice telling the Godly Play story. If time permits after the Godly Play session is complete you can also make use of the [Action Scene](#) picture which tells the story of Israel leaving Egypt. The [Action Scene instructions](#) give guidance on how to use the Action scene to best effect. The activities can be adapted to suit time and resources available.

### Godly Play

### Desert Tent Box

#### You will need:

- Large shoebox with loose lid, wrapped in brown paper. Label the box: *Desert Tent Box*
- Piece of yellow material representing the desert
- Images of gold and silver jewellery from magazines or catalogues
- Swatches of material to represent 'fine linen'
- Blue, purple and red wool
- Woolly material representing fabric made of goats' hair
- Cardboard shaped like an animal skin and coloured red (rams' skin dyed red)
- Piece of leather
- Piece of wood (acacia)
- Small, clear container of oil (for the lamps)
- Spices (for the anointing oil and incense)
- Sheet of stick-on craft gemstones (for the High Priest's ephod and breastpiece)
- Photocopy of the [Sacred Tent Sheet](#) for each child

*Invite the children to sit in a circle. Bring out the box and place it in front of them.*

**Leader:** Has anyone ever been camping? What did you sleep in? What colour was the tent? Did you get wet when it rained? Who owned the tent? Well, today we are going to find out about a very, very, special tent. A tent that could only be made if lots of people helped each other. Let's open the box and I'll help you to find out how it happened....

*Open the box. Slowly take out the yellow material and spread it out on the floor in front of you, smoothing it and inviting the children to respond as you say, 'I wonder what this could be?' Accept all possible answers with, 'Yes, it could be that.'*

**Leader:** God wanted the Israelites to make a 'holy place'. It would be a tent – but a magnificent one – where the people could worship God during their travels through the desert. It was to be made with materials they had already or could find around them. So Moses told the people what God wanted them to find things to make the Sacred Tent. They were to bring an item as an offering. Let's see what the people offered to God.....

*Take the pictures of jewellery from the box. Place them on the yellow material.*

**Leader:** The gold was used to cover the wooden posts and poles, crossbars, the Covenant Box, and the altar. The plates, cups, jars and bowls for the wine offering, the lampstand and lots of the decorations, were made from solid gold. Gold was also used in the priests' clothes.

*Give each child a copy of the Sacred Tent sheet. Invite the children to colour the posts and crossbars with yellow/gold crayons.*

Elliott Jr., 1989-12-15 Religious drama was one of the most vital art forms of the medieval era In medieval mystery plays God appeared as one of the characters along with angels saints the devil and others Until very recently however the revival of interest in medieval culture has not included drama beacuse of a lingering fear of blasphemy associated with the representation of God on the stage In Britain this fear was the legacy of a theatrical censorship which has been exercised by the Lord Chamberlain s office for hundreds of years Since that power was abolished in 1968 medieval religious or mystery plays are once again appearing on the stages of many countries John R Elliott Jr studies the modern context of this important medieval genre He begins by describing general attitudes towards religious drama from the time of the reformation the popularity of the Oberammergaru Passion Play in Victorian times and specific attempts by producers to overcome official hostility to religious plays He traces the history of the major modern productions of the mystery cycles such as the York Festival and the Bristol University performance of the Cornish Ordinalia and provides information about the careers of the two leading pioneers of modern mystery play production The concluding chapter discusses the chief practical and aethetic problems involved in staging mystery plays for modern audiences and assesses the overall importance of their revival in the larger context of British there today      **Playing God** Henry Bial, 2015-08-20 A fascinating look at how the Bible has inspired Broadway plays and musicals from Ben Hur to Jesus Christ Superstar      Playscripts For Theaters Thelma M. far more is Honesty Not just sincerity or frankness but Honesty in the sense of a sheer openness to the Other A set of skills Andrew Shanks argues which the church has very much still to learn True faith in God is faith in Honesty But theological Honesty has three faces It stands equally opposed to banality manipulation the mere disowning of history This book thus presents a whole new approach to the doctrine of the Trinity A fresh stimulus to theological debate at academic student and more popular levels Secularism and the Pursuit of Transcendence, Volume II Stanley E. Porter, Wendy J.

Porter, 2025-02-19 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent s pursuit of us **Early Childhood**
