John Dumbrell

Going Rogue By Sarah Palin Harper Harpercollins December 6 2009:

Righting Feminism Ronnee Schreiber, 2012-04-19 When we think of women's activism in America liberal figures such as Gloria Steinem and Betty Friedan invariably come to mind But women's interests are not synonymous with organizations like NOW anymore As Ronnee Schreiber shows the conservative ascendancy that began in the Reagan era has been accompanied by the emergence of a broad based conservative women's movement Righting Feminism shows that one of the key albeit overlooked developments in political activism since the 1980s has been the emergence of conservative women's organizations It focuses on Concerned Women for America and the Independent Women's Forum to reveal how they are using feminist rhetoric for conservative ends outlawing abortion restricting pornography and bolstering the traditional family But ironically these organizations face a paradox to combat the legacy of feminism particularly its appeal to the majority of American women they must use the rhetoric of women's empowerment Indeed Schreiber amply illustrates how conservative activists are often the beneficiaries of the very feminist politics they oppose Yet just as importantly she demolishes two widely believed truisms that conservatism holds no appeal to women and that modern conservatism is hostile to the very notion of women's activism And in this updated edition Schreiber takes the story forward with an epilogue that considers the ways in which the politics of representation have changed for both conservative women and feminist activists in the wake of the political ascendancy of figures including Sarah Palin and Michelle Bachmann Based on numerous interviews with colorful conservative activists and extensive analyses of organizational documents Righting Feminism offers a new way of understanding the unlikely intersection of women's activism and conservative politics in America today

The Ideology of Political Reactionaries Richard Shorten, 2021-12-30 The Ideology of Political Reactionaries offers a new perspective on the beliefs reactionaries share presenting a theory of reactionary ideology in the process Rather than taking self contradictions in the reactionary imagination as a reason for diminishment complexity is taken as a challenge The book argues that the features that unite reactionaries lie in rhetoric Reactionaries make three persuasive appeals to decadence conspiracy and indignation They also display some recurrent styles The book's rhetorical approach entails a critique of the alternative approaches to reactionary politics dubbed as dispositional sociological and conceptual At the heart of the book is the textual analysis of the writings of a range of figures who are chosen in deliberate diversity and who have interacted with political audiences in different eras and settings Edmund Burke Joseph de Maistre Sarah Palin Donald Trump Adolf Hitler Ric Zemmour Joe McCarthy Anders Breivik and Nigel Farage Analysis of their writings helps the book to reckon with some particular puzzles of ideologies and rhetoric These puzzles include the proximity of reactionaries to conservatism the ambiguity of their nostalgia the myth of their essential charisma and the apparent fetishisation of facts The Ideology of Political Reactionaries ought to interest anyone concerned about current ideological trends and in particular students and scholars of politics and history

Faith and Oil K. L. Marshall, 2020-04-24 Faith and Oil tells the story of conservative

Christianity's relationship with America's oil industry It shows how the libertarian values of big oil companies such as government deregulation of business practices and curbing laws that protect the environment became embedded within the theologies of the Religious Right These theologies of oil later found their being in the public consciousness through the rise of Sarah Palin and led to the election of Donald Trump The Rude Pundit's Almanack Lee Papa, 2011-04 THERE'S NOWHERE TO HIDE FROM THE RUDE PUNDIT In the tradition of Abbie Hoffman Bill Hicks and Bill Maher from the depths of the left side of the blogosphere the Rude Pundit steps forth to defend the right to be liberal to be sexually suspect to be broke and pissed off and to make fun of Republicans all the time all the time Including Glenn Beck Is the New Martin Luther King in Hell Nuns and Guns Riding on an Airplane with Someone Who Talks to God and profiles of great Americans of our time such as Tim Pawlenty David Duke Bobby Jindal Rick Santorum Jeb Bush and many many more YOU'LL LAUGH YOU'LL CRY YOU'LL GET NAUSEATED YOU'LL GET AROUSED AND IT'S almost ALL TRUE Featuring charming anecdotes twisted poems gonzo reportage tragic photographs meaningless charts Founding Fathers in compromising positions and much much more

Issues in American Politics John Dumbrell, 2013-08-21 This wide ranging book provides readers with a reliable and lively guide to contemporary American political practices processes and institutions Essays in the proposed volume will cover phenomena such as the Tea Party upsurge in the Republican Party Obama's health care reforms recent changes to campaign funding emanating from the key Citizens United Supreme Court decision US foreign policy after the War on Terror Obama's presidential strategy and issues relating to polarisation and partisanship in US politics This work is essential reading for all students of American Politics and US Foreign Policy **Profiles in Ignorance** Andy Borowitz, 2022-09-13 Examines the intellectual deterioration of American politics from Ronald Reagan to Dan Quayle from George W Bush to Sarah Palin to its apotheosis in Donald J Trump The Contemporary American President Robert E DiClerico, 2016-12-05 Debuting in its first edition The Contemporary American President explores the potential and limitations of presidential influence in times of rising public expectation for the office and the declining ability of presidents to meet it It focuses on six major areas concerning the presidency selection power accountability decision making personality and leadership and offers an appreciation of the challenges of the office as the institution attempts to function in an increasingly controversial political environment
