Young Adults Joan L. Knickerbocker,2017-03-15 Young adults are actively looking for anything that connects them with the
 changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make
 that connection and motivate them to read It explores a great variety of works genres and formats but it places special
 emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited
 to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading
 and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature
 programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry
 short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while
 films can be used to complement print literature they are also a literacy format in their own right and one that young adults
 are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as
 well as metafictional terms enables readers to share in a literary conversation with their students and others when
 communicating about books It will help readers teach young adults the language they need to articulate their responses to
 the books they are reading **Western Farmer** ,1926 The Athenaeum ,1852 Two English-Language Translators of
Jin Ping Mei Shuangjin Xiao,2024-07-31 Two English Language Translators of Jin Ping Mei examines English translations of
 the Ming novel Jin Ping Mei by translators from different historical periods within the Anglophone world Drawing upon
 theoretical insights from translation studies literary criticism and cultural studies the book explores the treatment of salient
 features of the novel in translation including cultural representation narratological elements gender specific motifs and homo
 sexual themes Through literary re imagining and artistic re creation Egerton transforms a complex and sprawling narrative
 into a popular modern middlebrow novel making it readily accessible within Western genres Roy s interlinear and annotated
 translation transcends the mere retelling of a vivid story for its unwavering emphasis on every single detail of the original
 becoming a portal to the Ming past It stands as a testament to the significance of translation as a medium for understanding
 the legacy of the late Ming and the socio cultural dynamics shaping that period in Chinese history This book will be a useful
 reference for scholars and research students within the fields of literary translation studies and translated Chinese literature
 particularly Ming Qing fiction The book will also appeal to students and researchers studying Jin Ping Mei s translation and
 reception in the West **The Golden Rule** ,1847 *Academy, with which are Incorporated Literature and the English*
