## Good Hooks For A Paper:

*Crafting Comparison Papers* Marcia S. Freeman, 2013 Since comparison papers require students to describe both similarities and differences they are often used as assessment tools in just about every subject For this reason alone developing writers should be taught how to craft effective comparison papers But teaching your students how to compose comparison papers also has a larger impact on their education it prepares them to think more analytically perform better in complex testing situations and compare texts In *Crafting Comparison Papers* Marcia S Freeman fully explains the four instructional steps that develop comparison skills understanding the concept of attributes organizing attributes for comparison building clear coherent comparative paragraphs and assembling effective comparison papers She includes lessons with specific Target Skills TM to support your students progress and she suggests timelines that will help you plan your curriculum Throughout Freeman s comprehensive approach and clear instructions make this book a unique and valuable resource for any teacher of developing writers

***Writers at Work: The Essay Student's Book*** Dorothy Zemach, Lynn Stafford-Yilmaz, 2008-01-14 Following on from *Writers at Work The Paragraph* and *Writers at Work the Short Composition* *Writers at Work The Essay* will teach the basics of academic essay writing to intermediate level students In *Writers at Work The Essay* college and university students use the process approach to write different genres of essays common at the post secondary level the most important being expository writing persuasive writing and timed essay exams Each chapter uses the same five step approach to writing that is used in the two lower level books In each chapter students analyze a model essay noticing key organizational and linguistic features brainstorm ideas write multiple drafts revise their work engage in peer reviews and share their finished work Chapters recycle and build upon previously taught material
