Good Morning Midnight Dalziel Pascoe Book:

Good Morning, Midnight Reginald Hill, 2005-08-30 Investigating the apparent suicide of a prominent businessman Yorkshire police officers Andy Dalziel and Peter Pascoe become suspicious when they discover that the victim's father died in the same manner

Good Morning, Midnight Reginald Hill, 2010-05-14 Reginald Hill brings us a brilliant new Dalziel and Pascoe novel featuring a chilling Mid Yorkshire mystery Like father like son But heredity seems to have gone a gene too far when Pal Maciver's suicide in a locked room exactly mirrors that of his father ten years earlier In each case accusing fingers point towards Pal's stepmother the beautiful enigmatic Kay Kafka But she turns out to have a formidable champion Mid Yorkshire's own super heavyweight Detective Superintendent Andrew Dalziel DCI Peter Pascoe nominally in charge of the investigation finds he is constantly body checked by his superior as he tries to disentangle the complex relationships of the Maciver family At first these inquiries seem local and domestic What really happened between Pal and his stepmother And how has key witness and exotic hooker Dolores Our Lady of Pain contrived to disappear from the face of Mid Yorkshire Gradually however it becomes clear that the fall out from Pal's suicide spreads far beyond Yorkshire To London to America Even to Iraq But the emotional epicentre is firmly placed in mid Yorkshire where Pascoe comes to learn that for some people the heart too is a locked room and in there it is always midnight

Midnight Fugue Reginald Hill, 2009-11-24 The highly anticipated return of Dalziel and Pascoe starts with a phone call to Superintendent Dalziel from an old friend asking for help But where it ends is a very different story Gina Wolfe has come to Mid Yorkshire in search of her missing husband believed dead Her fiancé Commander Mick Purdy of the Met thinks Dalziel should be able to take care of the job What none of them realize is how events set in motion decades ago will come to a violent head on this otherwise ordinary summer's day A Welsh tabloid journalist senses the story he's been chasing for years may have finally landed in his lap A Tory MP's secretary suspects her boss's father has an unsavoury history that could taint his prime ministerial ambitions The ruthless entrepreneur in question sends two henchmen out to make sure the past stays in the past And the lethal pair dispatched have some awkward secrets of their own Four stories two mismatched detectives trying to figure it all out and 24 hours in which to do it Dalziel and Pascoe are about to learn the hard way exactly just how much difference a day makes
