

End of School Letter to Students

I'm glad I was your teacher,
I've come to love you so.
I can't believe the end is here,
I hate to see you go.
Remember all the fun we had
in all the things we did.
But most of all, remember...
You're a VERY special kid!

Because Teaching Matters Marleen C. Pugach, 2009-01-06 Real

challenges Real choices And very real consequences That s what today s classrooms are about That s why Marleen Pugach s *Because Teaching Matter An Introduction to the Profession 2e* is all about depicting today s classrooms as they truly are while at the same time highlighting the enormous impact teachers have on students lives Organized around five professional commitments from learning from multiple sources of knowledge using the curriculum responsibly and embracing diversity to meeting the needs of individual students and contributing actively to the profession *Because Teaching Matter An Introduction to the Profession 2e* tells the true story of today s complex classrooms But there s more It also drives home that though the decision to teach is a serious one it is one that can be extremely rewarding Current research practical discussions and realistic cases capture the breadth and depth of the modern teaching experience while a warm engaging writing style make the text a pleasure to read Ideal for Foundations of Education and Introduction to Teaching courses designed to provide preservice teachers with an overview of the profession *Brookfield* Brenda Metterville,Kate Simpson,Andrea Faugno,2012 Incorporated in 1673 the town of Brookfield was part of the original Quaboag Plantation land grant of 1660 and is situated at a crossroads of the Boston Post Road that connected New York and Boston Brookfield grew from a farming community to an industrial town with early factories producing shoes boots bricks and paper When the factories were in full swing in 1880 Brookfield was one of the wealthiest and most populated towns in the area The town has since returned to a quiet state and today residents and visitors enjoy the pastoral atmosphere while remembering some of Brookfield s more noteworthy characters Bathsheba Spooner who was found guilty after a sensationalized 18th century trial of conspiring to murder her husband author Mary Jane Holmes whose books about daily life sold more than two million copies and Borden Company s bovine mascot Elsie the Cow who was raised on Elm Hill Farm and made her way to Hollywood *The Effects of Music Improvisation Instruction on Elementary Students' Tonal Singing Achievement and Developmental Tonal Aptitude* Emily Jambeau,2006 **True to Life Elementary Teacher's Book** Joanne Collie,Stephen Slater,1995-09-28 True to Life is a five level course designed specifically for adult learners *Building a Better Teacher: How Teaching Works (and How to Teach It to Everyone)* Elizabeth Green,2014-08-04 A New York Times Notable Book A must read book for every American teacher and taxpayer Amanda Ripley author of *The Smartest Kids in the World* Launched with a hugely popular New York Times Magazine cover story *Building a Better Teacher* sparked a national conversation about teacher quality and established Elizabeth Green as a leading voice in education Green s fascinating and accessible narrative dispels the common myth of the natural born teacher and introduces maverick educators exploring the science behind their art Her dramatic account reveals that great teaching is not magic but a skill a skill that can be taught Now with a new afterword that offers a guide on how to identify and support great teachers this provocative and hopeful book should be part of every new teacher s education Washington Post **I'm Just a Teacher** Michael Floyd,2023-06-26 The author of *I m Just a Teacher* shares his love of teaching his passion for learning and his art of building relationships with students and their families As a highly imaginative

innovative and award winning educator with over fifty years of experience his remarkable lifelong goal has been To Reach Out Touch Others and Make a Difference Over the years he has developed a unique and highly motivational system of project based learning and assessment with multiple pathways fostering greater student engagement and success Today teachers face angry and hostile citizen groups a merciless raging pandemic encounter a lack of respect and waning trust while the nobility of the profession has been run aground For public school teachers some career politicians bent on their unwavering agendas to abandon and bury public education is a continual threat The shortage of teachers is seriously rampant and shortchanging students while overworking current educators The vital academic freedom needed to teach and make a difference in the lives of students is replaced with forced data collection for political reasons The author insists that in spite of these challenges to the profession educators wear many hats and are masters of multitasking Indeed learning can become fun and in his teaching bag the use of humor is a key methodology Learning can be exciting entertaining and challenging in creating a positive and proactive learning environment Knowledge of aikido instills in him a sense of calm confidence and control in the face of adversity It is turning anguish into positive action It enables him to be in charge of the situation and not the situation in charge of him To this day the author firmly believes in teachers trusts in teachers and applauds teachers that shower students with praise compassion solid example and instill hope for a brighter future while unleashing student imagination
