was designed for parents It offers suggestions to parents to help them confidently teach their children about the God who made them loves them and wants a relationship with them while also suggesting ways that churches can partner with parents while not usurping the parents role Epic Families can empower parents to inspire their children to trust God and make wise choices In the busy and sometimes scary world we live in parents need to intentionally showcase God s presence to their children and let Him permeate their lives this book offers them a valuable resource to do that
