work with miniature parts Much depends on individual preference If you just want miles and miles of track and lots of trains going around N is great If you want to re create an elaborate scene with buildings people and geographical features HO is better If you get into model railroad building in a big way you may eventually want to explore other scales but most model train hobbyists are happiest with HO or N Buy a copy to keep reading [Collecting Toy Trains](#) Richard O'Brien,Richard C'Brien,1996 Stay on track with accurate identification and pricing of Lionel Marx American Flyer Ives Buddy L and other toy trains Top train collectors help author Richard O'Brien price engines cars and accessories Brand new photos and first time listings have been added to the line just in time for your boarding call **Getting Started in Garden Railroading** Allan W.
