Guide to the Battle of Gettysburg Jay Luvaas, Harold W. Nelson, 1994 Here in one compact volume is a day by day and hour by hour account of one of the bloodiest and most momentous battles in history The Battle of Gettysburg fought on July 1 2 and 3 1863 changed the course of an epic war Unlike other volumes on Gettysburg this guide provides a unique blend of documentary sources and terrain descriptions with 25 stops arranged in the order of the actual battle as it unfolded It combines official reports and observations of the commanding officers in their own words to recreate one of the pivotal encounters of the Civil War **Military Publications** United States. Department of the Army, 1977 Military Publications, 1977-03 *Guide to the Battle of Chickamauga* Matt Spruill, 1993 This guide uses first hand accounts to illustrate how this two day skirmish turned into one of the bloodiest battles of the Civil War *Guide to the Battles of Chancellorsville & Fredericksburg* Jay Luvaas, Harold W. Nelson, 1994 This guide contains remarkable detail on several firsts and rarities for the time period from crossings under fire and street fighting to now familiar trench warfare *The Official Railway Guide*, 1875 *School of the Guides* Eugene Le Gal, 1864 *Snow's Pathfinder Railway Guide*, 1905 **Monthly Catalog of United States Government Publications**, 1994 *Monthly Catalogue, United States Public Documents*, 1987 Purdon's Pennsylvania Statutes, Annotated Pennsylvania, 2000 Catalog of Copyright Entries Library of Congress. Copyright Office, 1967 **Decisions at Forts Henry and Donelson** Hank Koopman, 2025-05-02 The Battles of Forts Henry and Donelson took place in February of 1862 and were early indicators of the success the US would have in the Civil War's Western Theater Due to Kentucky's neutrality at the time Brig Gen Daniel S Donelson was instructed to find suitable sites for fortification along the Tennessee River but just inside the state boundaries of Tennessee Forts Henry and Donelson were constructed in the summer of 1861 and were quickly identified by Gen Ulysses S Grant as strategic fortifications that if conquered would open the Federal Army's path to Alabama and Mississippi Fort Henry fell to Federal control on February 6 1862 and Fort Donelson fell six days later With the Tennessee and Mississippi Rivers now open to Federal gunboats Grant and his army would head southwest to Memphis and on to Vicksburg Decisions at Forts Henry and Donelson explores the critical decisions made by Confederate and Federal commanders during the battle and how these decisions shaped its outcome Rather than offering a history of the battle Hank Koopman hones in on a sequence of critical decisions made by commanders on both sides of the conflict to provide a blueprint of the Battles of Forts Henry and Donelson at their tactical core Identifying and exploring the critical decisions in this way allows students of the battles to progress from a knowledge of what happened to a mature grasp of why events happened Complete with maps and a driving tour Decisions at Forts Henry and Donelson is an indispensable primer and readers looking for a concise introduction to these battles can tour this sacred ground or read about it at their leisure with key insights into the campaigns and a deeper understanding of the Civil War itself Decisions at Forts Henry and Donelson is the eighteenth in a series of books that will explore the critical decisions of
