Guns Of The Mountains:

Guns of the Mountains Robert E. Howard, 2015-02-12 This early work by Robert E Howard was originally published in 1934 and we are now republishing it with a brand new introductory biography Guns of the Mountains is a story in the Breckinridge Elkins series about a cowboy in the wild west Robert Ervin Howard was born in Peaster Texas in 1906 During his youth his family moved between a variety of Texan boomtowns and Howard a bookish and somewhat introverted child was steeped in the violent myths and legends of the Old South At fifteen Howard began to read the pulp magazines of the day and to write more seriously The December 1922 issue of his high school newspaper featured two of his stories Golden Hope Christmas and West is West In 1924 he sold his first piece a short caveman tale titled Spear and Fang for 16 to the not yet famous Weird Tales magazine Howard s most famous character Conan the Cimmerian was a barbarian turned King during the Hyborian Age a mythical period of some 12 000 years ago Conan featured in seventeen Weird Tales stories between 1933 and 1936 which is why Howard is now regarded as having spawned the sword and sorcery genre The Conan stories have since been adapted many times most famously in the series of films starring Arnold Schwarzenegger *Guns of the Mountains* Robert Ervin Howard, 2020-11-12 This business begun with Uncle Garfield Elkins coming up from Texas to visit us Between Grizzly Run and Chawed Ear the stage got held up by some masked bandits and Uncle Garfield never being able to forget that he was a gun fighting fool thirty or forty years ago pulled his old cap and ball instead of putting up his hands like he was advised to For some reason instead of blowing out his light they merely busted him over the head with a 45 barrel and when he come to he was rattling on his way toward Chawed Ear with the other passengers minus his money and watch It was his watch what caused the trouble That there timepiece had been his grandpap s and Uncle Garfield sot more store by it than he did all his kin folks When he arriv up in the Humbolt mountains where our cabin was he imejitly let in to howling his woes to the stars like a wolf with the belly ache And from then on we heered nothing but that watch I d saw it and thunk very little of it It was big as my fist and wound up with a key which Uncle Garfield was always losing and looking for But it was solid gold and he called it a hairloom whatever them things is And he nigh driv the family crazy Guns of the Mountain Man William W. Johnstone, 2018-07-31 A cattle thief has crossed Smoke Jensen and he s about to get stampeded in this fast paced Western in the New York Times bestselling series Do unto others before they do unto you With a brace of Colt 44s a deadly aim and a bullet shredded Bible Lazarus Cain has already made a name for himself in Texas Bent on pilfering a herd of cattle and a team of horses Cain makes a big mistake when he crosses Smoke Jensen because Smoke s going to blow Cain back to his maker But not before he gives him a flaming taste of hell Mountain Man style German Mountain Warfare United States. War Department. Military Intelligence Division, 1944 **Thunder in the Mountains** Craig K. Collins, 2014-10-23 In this beautifully written and powerful memoir author Craig K Collins ushers readers down a remarkable path one that wends from the American frontier to present day suburbia Along the way he explores the meaning of a history

of his family's and his country's that is infused with the culture of the gun. Stops include an Indian massacre at Bad Axe, the siege of Vicksburg, the slaughter of buffalo in Montana, and the discovery of gold in a remote Nevada canyon. The story begins on a hunting trip Collins took with his father and brothers in the early 70s when he was accidentally shot with a high-powered deer rifle at the age of 13 near the top of an isolated peak in Northeastern Nevada. He tells a personal story of a childhood in Idaho and Nevada where hunting is a way of life and guns are revered, often with fatal and unintended results. He recalls friends past and present whose lives have been forever shattered or altered by the explosive force of a bullet.
