

# GUTS Answer Key

## Forward and Chapter One Answer Key

1. What genre of book is *Guts*?

B. Autobiography

2. Why did Gary Paulsen decide to write the book, *Guts*?

-He wanted his readers to know more about how his life inspired the life of the character that he created, Brian; he got a lot of requests for more information about his own life.

3. Tell two of the events from Gary Paulsen's life that inspired the excerpt from the beginning of the first chapter (from the book *Hatchet*).

- He experienced several plane crashes, he worked as a responder where he had to help people who had suffered from heart attacks.

4. What reason did Paulsen give for administering CPR even to dying or deceased people during his volunteer days?

- He said that he still had hope that they would pull through.

5. Explain what Paulsen means when he writes, "Jet fighters at work, training or fighting, are always, always pushing their performance envelope, as are pilots; they must be that way to stay alive in combat."

-Paulsen means that the pilots and jet fighters often have to put themselves into risky, dangerous situations on purpose so that they are more prepared for similar situations in the battlefield.

6. Match the vocabulary word to the definition.

a. Iditarod

A. Barely any, or not enough.

b. Protruding

B. Sticking out beyond the surface.

c. Scant

C. Removed from service, usually referring to the military.

d. Wallowing

D. Moving very slowly, as if through mud.

e. Discharged

E. A winter dog-sled race in Alaska that spans over 300 mi.

## **Guts Paulsen Lesson Plans:**

**Your Reading** Jean E. Brown, Elaine C. Stephens, 2003 This informal and inviting book offers a much needed resource for the many K 12 teachers who wonder what to do about grammar how to teach it how to apply it how to learn what they themselves were never taught It provides teachers a way to negotiate the often conflicting goals of high stakes testing confident writing the culturally inclusive classroom and the teaching of standard English while also honoring other varieties of English Novice and veteran teachers alike will appreciate the hands on approach to grammar in the classroom that includes numerous examples and practical vignettes describing real teachers real classroom experiences with specific grammar lessons including ESL issues as well as the chapters that review grammar basics A grammar glossary and annotated list of sources are also included *Teen Talkback with Interactive Booktalks!* Lucy Schall, 2013-05-01 Covering the genres popular with today s teens fiction and nonfiction including poetry and graphic novels this resource provides 110 great book choices for young adult reading interactive booktalks and individual writing activities All educators and library professionals need practical resources with easily accessible information and activities that can be immediately applied *Teen Talkback with Interactive Booktalks* is such a resource supplying ready to use interactive booktalks and curriculum connections for more than 100 recently published young adult books This unique book is an invaluable tool for motivating teens to read It shows how to make booktalks interactive and get teens participating in the presentation rather than passively listening Book selections include titles published from 2008 to 2012 organized in seven categories Issues Contemporary Adventure Survival Mystery Suspense Fantasy Heritage and Multiple Cultures Complete bibliographical information for each selection is included along with a literary classification as well as an age grade level and gender designation The read alouds passages include talkback questions to facilitate discussion and related works are supplied as suggestions for additional reading choices *Improved Outcomes in Colon and Rectal Surgery* Charles B. Whitlow, David E. Beck, David A. Margolin, Terry C. Hicks, 2016-04-19 Written by many of the world s leading colorectal surgeons this evidence based text investigates the risks and benefits of colorectal surgeries By using clinical pathways algorithms and case discussions the authors identify the best practices for patient safety and positive outcomes to ensure that physicians correctly recognize potential problems

**Historic Preservation** Michael A. Tomlan, 2014-11-21 This well illustrated book offers an up to date synthesis of the field of historic preservation cast as a social campaign concerned with the condition treatment and use of the legacy of existing properties in the United States Drawing on a wide range of research experience and scholarship over the last fifty years it allows us to re think past and current ideas in preservation challenging readers to explore how their own interests lie within the cognitive framework of the activities taking place with people who care Who is involved is explored first in such a way as to explore why before examining what is deemed important After that the questions of when and how to proceed are given attention The major topics are introduced in an historical review through the mid 1980s after which the

broad intellectual basis and fundamental legal framework is provided The economic shifts associated with major demographic changes are explored in tandem with responses of the preservation community A chapter is dedicated to the financial challenges and sources of revenue available in typical preservation projects and another chapter focuses on the manner in which seeing recording and interpreting information provides the context for an appropriate vision for the future In this regard it is made clear that not all green design alternatives are preservation sensitive The advocacy battles during the last few decades provide a number of short stories of the ethical battles regarding below ground and above ground historic resources and the eighth chapter attempts to explain why religion has been long held at arm s length in publicly supported preservation efforts when in fact it holds more potential to regenerate existing sites than any governmental program
