Paradigm Revolution? Sign Me Up! Paul Winger, 2024-10-29 What life do you want to live What country do you want to live in On the left hand you have nothing someone makes all the decisions regarding your life On the right hand you have everything including your life and choice That freedom of choice brings responsibility wherein you have to put effort into your life and your freedom That brings us to honesty truth compassion love and responsibility those together make a fist to include penalty Why is it those six words are not included in our US Constitution When their child is leaving home to live their life every parent will think and hope their child has ample amounts of honesty truth compassion love and responsibility in their character You do what you can so your child has what I call the big five plus one You feel better knowing your child has the qualities just mentioned Why would we launch an infant country without the same Why have we amended our Constitution twenty seven times without including the big five I have rewritten the Constitution to include the big five plus one If you think you live in a democracy or representative government then you are wrong You may have gotten used to the life you are living but is your life and your country what you want You can put effort into achieving goals or not If there is no effort then it will never happen It is up to you Are you a person who stands upon the shoulders of others or are you a person who feels comfortable enough that you can stand by yourself

A-List Angels Zack O'Malley Greenburg, 2020-03-10 How Hollywood cashed in on the latest tech boom and changed the face of Silicon Valley When Ashton Kutcher first heard about 50 Cent's nine figure Vitaminwater windfall in 2007 the actor realized he'd been missing out He soon followed the rapper's formula seeking equity instead of cash for endorsement deals but with a twist as the first person to top 1 million Twitter followers Kutcher leveraged his social reach to accumulate stakes in a vast range of user hungry tech startups A decade later Kutcher is perhaps the brightest in a firmament of star investors from Beyoncé and Jay Z to Jennifer Lopez and Alex Rodriguez Bartering credibility and connections in exchange for early and often discounted access to the world's most coveted investment opportunities this diverse group changed the face of venture capital while amassing portfolios packed with companies like Airbnb Spotify and Uber But how did two once dissonant universes Silicon Valley and Hollywood become intertwined Forbes senior editor Zack O'Malley Greenburg told the first chapter of Kutcher's transformation for the magazine's cover story in 2016 Now he offers a lively page turning account of how this motley crew of talent managers venture capitalists and celebrities helped the creative class forge a brand new blueprint for generational wealth Through extensive reporting and exclusive interviews with more than 100 key players including Shaq Nas Joe Montana Sophia Bush Steve Aoki Tony Gonzalez and dozens of behind the scenes power brokers Greenburg sheds light on the unlikely group that fundamentally transformed the value of fame
