From Angels to Aliens Lynn Schofield Clark, 2005-10-27 Harry Potter Buffy the Vampire Slayer and the Left Behind series are but the latest manifestations of American teenagers longstanding fascination with the supernatural and the paranormal In this groundbreaking book Lynn Schofield Clark explores the implications of this fascination for contemporary religious and spiritual practices Relying on stories gleaned from more than 250 in depth interviews with teens and their families Clark seeks to discover what today s teens really believe and why She finds that as adherence to formal religious bodies declines interest in alternative spiritualities as well as belief in superstition grow accordingly Ironically she argues fundamentalist Christian alarmism about the forces of evil has also fed belief in a wider array of supernatural entities Resisting the claim that the media brainwash teens Clark argues that today s popular stories of demons hell and the afterlife actually have their roots in the U S s religious heritage She considers why some young people are nervous about supernatural stories in the media while others comfortably and often unselfconsciously blur the boundaries between those stories of the realm beyond that belong to traditional religion and those offered by the entertainment media At a time of increased religious pluralism and declining participation in formal religious institutions Clark says we must completely reexamine what young people mean and what they may believe when they identify themselves as spiritual or religious Offering provocative insights into how the entertainment media shape contemporary religious ideas and practices **From Angels to Aliens** paints a surprising and perhaps alarming portrait of the spiritual state of America s youth

Black and Slave David M. Goldenberg, 2017-05-22 **Studies of the Curse of Ham** the belief that the Bible consigned blacks to everlasting servitude confuse and conflate two separate origins stories etiologies one of black skin and the other of black slavery This work unravels the etiologies and shows how the Curse an etiology of black slavery evolved from an earlier etiology explaining the existence of dark skinned people We see when where why and how an original mythic tale of black origins morphed into a story of the origins of black slavery and how in turn the second then supplanted the first as an explanation for black skin In the process we see how formulations of the Curse changed over time depending on the historical and social contexts reflecting and refashioning the way blackness and blacks were perceived In particular two significant developments are uncovered First a curse of slavery originally said to affect various dark skinned peoples was eventually applied most commonly to black Africans Second blackness originally incidental to the curse in time became part of the curse itself Dark skin now became an intentional marker of servitude the visible sign of the blacks degradation and in the process deprecating black skin itself

Debt Girl: A Gender Swap Story Jessica Clairmont,2016 *Witchy Magic* K Jacobs,2021-08-13 I m the most average guy anyone could ever imagine average height and build with brown hair and brown eyes At least this is who I am as a dude as Joshua If you told me that one day my whole life would change by a simple meeting in the park I never would have believed you That s exactly what happened to me though I met a witch and she wasn t at all what I was expecting a witch to be like but that s besides the point I was enthralled by her and to distract me from obsessing over her she turned me into a woman Well she got her wish I had new fun toys to obsess over and keep me busy for a while but the effects wouldn t last forever I know that witch wanted to curse me for bothering her but I secretly liked it With my limited time as a delicate feminine creature I did typical girl stuff Mostly stuff I ve seen girls do on social media like squeezing into yoga pants and a blouse a few sizes smaller than me I threw on some pumps and I had fun flirting with randoms at the gym And also down that one alley It was all light hearted fun until a friend of mine came to visit while I was splashing around in a bubble bath Just when I thought he had given up I have to admit this was disappointing I hear the back door creaking open and Trevor calling me I mean he called out to Josh God I hope he s alone I tried my best to hide and be quiet hoping he would soon leave but I couldn t hold myself back from wondering what if What if he caught me like this Will I be able to tell him the truth Will he even believe me Will I have the chance to change back in time Or am I destined to remain a woman forever
