SPIN ,1990-03 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks Spies Among Us Ira Winkler,2005-03-18 Ira Winkler has been dubbed A Modern Day James Bond by CNN and other media outlets for his ability to simulate espionage attacks against many of the top companies in the world showing how billions of dollars can disappear This unique book is packed with the riveting true stories and case studies of how he did it and how people and companies can avoid falling victim to the spies among us American corporations now lose as much as

300 billion a year to hacking cracking physical security breaches and other criminal activity Millions of people a year have their identities stolen or fall victim to other scams In *Spies Among Us* Ira Winkler reveals his security secrets disclosing how companies and individuals can protect themselves from even the most diabolical criminals He goes into the mindset of everyone from small time hackers to foreign intelligence agencies to disclose cost effective countermeasures for all types of attacks In *Spies Among Us* readers learn Why James Bond and Sydney Bristow are terrible spies How a team was able to infiltrate an airport in a post 9 11 world and plant a bomb How Ira and his team were able to steal nuclear reactor designs in three hours The real risks that individuals face from the spies that they unknowingly meet on a daily basis Recommendations for how companies and individuals can secure themselves against the spies criminals and terrorists who regularly cross their path

Investment Industry Claims Debunked Robert P. Kurshan, 2021-11-29 This book is for people who want to know what to do with the money they save so that it s there when they need it to buy a home pay for college etc but also grows enough so they don t outlive it The investment industry is fixated on the importance of maintaining a balance of stocks and bonds shifting to more bonds as one ages This book challenges this belief by arguing that what s actually important is to have just enough bonds and cash to support spending needs from a stable source and to replenish these through the sale of stocks at propitious times when the stock market is not depressed It features simple mathematical calculations an explanation of basic financial objects like stocks bonds ladders CDs ETFs or annuities a discussion of how to evaluate financial risk examinations of insurance fraud deterrence dollar cost averaging benefits of a mortgage risks of a pension and general advice about healthcare Although the book is written to be accessible to those with little or no prior knowledge of finance the studies and conclusions presented here benefit a multitude of financial investors

Too Late Jynean E. Chandler, 2022-01-14 Young Stacie is a typical fifteen year old girl who thought she had plenty of time to give her heart to the Lord Little did she know that the decision she made would drastically change her life forever Her mother warned her that the rapture could happen any day and Pastor Ray preached a powerful sermon about the rapture on that fateful Sunday morning Did Stacie wait too late Even though this book is a fictional novel the theme of it rings true One day in the near future the rapture of the church is going to take place This is the next event on God s prophetic calendar where millions of people will vanish from the face of the earth In the Bible 1 Thessalonians 4 16 17 says The dead in Christ shall rise first Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord It is also described in 1 Corinthians 15 51 58 The aftermath of the rapture will bring great distress and turmoil for all unbelievers who are left behind Their lives will suddenly change as they are plunged into the seven year tribulation period and the new world order The Antichrist will make his appearance and force both small and great to accept his mark or be martyred The decision is yours Will you make a choice to accept Jesus Christ as Lord and Savior of your life Or will you be too late
