Global Business Model Shift Umberto Lago, 2024-08-24 This book takes the readers on a profound exploration of global business transformation through the lens of the RenDanHeYi RDHY business model. It discusses the complexities of implementing RDHY beyond China and navigating cultural regulatory and organizational intricacies. It helps uncover the pragmatic and outcome-oriented nature of RDHY with a focus on aligning core values for sustainable success. Using a multidimensional analysis, the author reveals hidden layers of values, philosophies, and principles that underpin successful business models. For leaders and managers navigating the challenges of genuine transformation, this resource offers a comprehensive roadmap transcending surface-level changes to foster authentic and enduring success in the dynamic landscape of global business innovation.

**Mergent International Manual**, 2009 The Neuropsychology Handbook Arthur MacNeill Horton, 2008 Print CourseSmart Managing Organizational Complexities With Digital Enablement In China: A Casebook Shan-ling Pan, 2015-03-11 Managing Organizational Complexities with Digital Enablement in China aims to provide insights into the use of information technologies in organizations and government agencies in China. Edited by Shan Ling Pan with contributions from academics across the world, this casebook contains 17 case studies which document experiences of utilizing enterprise systems and e-government initiatives in organizations and government agencies from China. These case studies feature companies such as Alibaba, Haier, COFCO, JD.com, and Tencent among many others. These in-depth well-written case materials will be helpful to students and readers with an interest in China studies and other related fields. They will also be useful to organizations and government agencies that plan to implement enterprise systems and e-government initiatives in the years ahead.

*Eu-china Relationship, The: European Perspectives - A Manual For Policy Makers* Kerry Brown, 2014-11-27 This book brings together 30 papers commissioned from 2011 to 2013 by the EU-funded Europe China Research and Advice Network ECRAN. These papers, thematically grouped in sections on economics, society, and politics, were written by some of the world's leading China experts in Europe and give a European perspective of this complex relationship. The papers provide a broad overview of how Europeans see the key challenges currently faced by China and Europe, as well as a unique insight into the related policy aspects of the vexed and complex relationship of the two largest trading partners in the world. The EU China Relationship European Perspectives is written in a highly pragmatic manner, focusing on specific political, economic, and social issues that impact on international relations. It is an essential EU toolkit and policy handbook for academics and policy makers in government and business who are engaging with China, not just in the EU but across the world.
