Great Tide Rising Kathleen Dean Moore, 2016-02-01 Even as seas rise against the shores another great tide is beginning to rise a tide of outrage against the pillage of the planet a tide of commitment to justice and human rights a swelling affirmation of moral responsibility to the future and to Earth's fullness of life Philosopher and nature essayist Kathleen Dean Moore takes on the essential questions Why is it wrong to wreck the world What is our obligation to the future What is the transformative power of moral resolve How can clear thinking stand against the lies and illogic that batter the chances for positive change What are useful answers to the recurring questions of a storm threatened

time What can anyone do Is there any hope And always this What stories and ideas will lift people who deeply care inspiring them to move forward with clarity and moral courage *Images and Idols* Thomas J Terry,J. Ryan Lister,2018-10-02

Christians ought to be leading the way in creativity but we rarely do God is the Creator of all things and He created us in His image Creativity is woven into the very fabric of our humanity Therefore Christians should value and champion creativity as a vital part of our image bearing role Instead Christians often don t know what to do with creatives and creatives don t know what to do with Christianity On one side you have Christians who neglect or discount art imagination and beauty altogether On the other you have artists who make idols out of each of these good things Ryan Lister a theology professor and Thomas Terry a spoken word artist and founder of Humble Beast team up to help restore the connection between creativity and theology *Images Idols* is a theological and artistic exploration of creativity in the Christian life It will help creatives build a strong theological foundation for their art while challenging the church to embrace a theology of beauty and creativity

Jesus the Christ, Greatest Rapper of All Time Ricardo Palmer,2010-02 **Activism and the Fossil Fuel Industry**

Andrew Cheon,Johannes Urpelainen,2018-02-06 In less than a decade activism against the fossil fuel industry has exploded across the globe While environmentalists used to focus on legislative goals such as carbon emissions trading or renewable energy policies today the most prominent activists directly attack the fossil fuel industry This timely book offers a comprehensive evaluation of different types of activism the success and impact of campaigns and activities and suggestions as to ways forward This book is the first systematic treatment of the anti fossil fuel movement in the United States An accessible and readable text it is an essential reference for scholars policymakers activists and citizens interested in climate change fossil fuels and environmental sustainability The entire book or chapters from it can be used as required or supplementary material in various courses at the undergraduate and graduate level As the book is not technically challenging but contains a comprehensive review of climate change fossil fuels and the literature on environmental activism it can be used as an accessible introduction to the anti fossil fuel campaign across disciplines Refining versus Simplification in
