Isaac Hampton

History Grade11 Memorandum:

The Black Officer Corps Isaac Hampton,2013 The U S Armed Forces started integrating its services in 1948 and with that push more African Americans started rising through the ranks to become officers although the number of black officers has always been much lower than African Americans total percentage in the military Astonishingly the experiences of these unknown reformers have largely gone unexamined and unreported until now The Black Officer Corps traces segments of the African American officers experience from 1946 1973 From generals who served in the Pentagon and Vietnam to enlisted servicemen and officers wives Isaac Hampton has conducted over seventy five oral history interviews with African American officers Through their voices this book illuminates what they dealt with on a day to day basis including cultural differences racist attitudes unfair promotion standards the civil rights movement Black Power and the experience of being in ROTC at Historically Black Colleges Hampton provides a nuanced study of the people whose service reshaped race relations in the U S Armed Forces ending with how the military attempted to control racism with the creation of the Defense Race Relations Institute of 1971 The Black Officer Corps gives us a much fuller picture of the experience of black officers and a place to start asking further questions A Contemporary History of the U.S. Army Nurse Corps Mary T. Sarnecky,2010 Mary T Sarnecky who had first hand knowledge about U S Army Nurse Corps inner workings as an active duty officer presents her analysis documenting U S Army Nurse Corps from the early 1970s to the beginning of the 21st century in the Borden Institute s latest release A Contemporary History of the U S Army Nurse Corps She addresses a remarkable episode in the organization s evolution a period characterized by a series of progressive steps empowering Nurse Corps officers to assume key command and leadership positions in Army Medical Department It is imperative that we review the lessons learned from this period in our nursing history and utilize the experiences knowledge and leadership of these extremely talented and dedicated professional nurses said Gale S Pollock Major General Retired CRNA FACHE FAAN 22nd Chief U S Army Nurse Corps The book explores vital roles of Army Nurse Corps in supporting and sustaining high level military operations that began with Operation Desert Storm Professionalism clinical competency adaptability and flexibility remain the hallmark of Army Nurse Corps In tandem with her previous work A History of the U S Army Nurse Corps published in 1999 Sarnecky offers a wealth of scholarly research narrated in her straightforward style imparting a rich institutional history of which all professional nurses should be proud Publisher s description **Encounters Old and New in World History** Alan Karras,Laura J. Mitchell,2017-06-30 This collection of essays asserts the specific value of world history research and teaching showing how the field contributes to the larger historical profession and offering concrete suggestions to develop more interaction between the academy and the public The twelve contributors each with their own academic areas of interest are experienced scholars and classroom teachers Uniting them together in this volume is their professional relationship with Jerry H Bentley 1949 2012 This shared connection served as a catalyst to showcase Bentley s enduring legacy a commitment

to investigating large scale questions with detailed empirical evidence that explains the human condition documenting both patterns of similarity and difference in ways that account for regional and temporal variations The volume continues Bentley's meticulous attention to world historical methods focus on scale cross cultural encounter comparison periodization critical geography and interdisciplinarity Encounters Old and New in World History responds to provocations that Jerry Bentley tendered in his scholarship and through his professional activities Contributors interrogate the institutional settings disciplinary proclivities methodological choices and diverse source bases of world history research and teaching Several essays address the ways in which present day concerns influence research on local and global scales Other essays pay particular attention to the production and circulation of knowledge across regional temporal and class boundaries as well as between the academy and the wider public Claiming the centrality of globally informed and focused approaches to historical inquiry researchers continue the conversations that Bentley carried on through his own scholarship teaching editing of the Journal of World History participating in public forums and contributing to public discussions about the place of history in understanding today's global integration The stakes involved in asking questions about the shared history of humankind continue to increase in the current era of intensified globalization It is incumbent upon scholars with the skills to work across linguistic geographic temporal and disciplinary boundaries to show the ways that cross cultural encounters happened historically and to point out how such interactions play out in the institutions classrooms and public debates where historical interpretations are created and shared
