

History Of Xerxes The Great

Shasha Hu

History Of Xerxes The Great:

History of Xerxes the Great Jacob Abbott, 2017-09-06 The story of Xerxes the Great circa 519 465 BC the fourth king of the Persian Achaemenid Empire includes the battles of Thermopylae and Salamis famous in their own right and which were pivotal to world and European history The tale woven by classic master storyteller Jacob Abbott is as usual free from the dry stuffiness which mars conventional historical accounts Beginning with Xerxes family background the action starts straightaway with his interactions with Egypt and Greece and the preparations for the invasion of that latter nation Abbott s narration based on meticulous research and primary sources reveals the immense size of the Persian army and that their ultimate intention was to conquer all of Europe The Greek defensive preparations spearheaded by the astonishing Spartans are then reviewed The mighty clash and sacrifice of the main Persian force and the 300 Spartans under Leonidas at Thermopylae forms one of the centerpieces of the work It is followed by the equally important burning of Athens and the Battle of Salamis where the Persian fleet was destroyed Finally faced with stalemate in Greece and rebellion at home Xerxes was forced to return to Persia His army routed at the Battle of Plataea followed him home and the Persian attempt to seize Europe was definitively defeated The name of Xerxes is associated in the minds of men with the idea of the highest attainable elevation of human magnificence and grandeur This monarch was the sovereign of the ancient Persian Empire when it was at the height of its prosperity and power It is probable however that his greatness and fame lose nothing by the manner in which his story comes down to us through the Greek historians The Greeks conquered Xerxes and in relating his history they magnify the wealth the power and the resources of his empire by way of exalting the greatness and renown of their own exploits in subduing him

History of Xerxes the Great Jacob Abbott, 1850 *History of Xerxes the Great, Etc* Jacob ABBOTT, 1850

History of Xerxes the Great Jacob Abbott, 2015-06-17 Revisit the famous battle of The 300 in Jacob Abbott s *History of Xerxes the Great* Xerxes was Persian Emperor during their war with the Greeks in the 5th Century B C E Jacob Abbott was a writer of popular histories and biographies and in this book he tells the story of Xerxes triumph over the Greeks with compelling style often relating dramatic speeches by significant historical figures Xerxes was the Emperor of the powerful Persian Empire His father was King Darius but his mother Atossa was a daughter of the admired Persian leader Cyrus the Great His heritage as part of the Cyrus line catapulted him to the throne over Darius other children Xerxes promptly convened a council to prepare to attack Egypt since the Persians were still outraged by the Ionian rebellion But some urged Xerxes to invade Greece instead and after being visited on successive nights by three phantoms Xerxes finally resolved to invade Greece Abbott vividly dramatizes these council speeches and phantom visits As Abbott explains legend and historical facts often become inseparable and in such cases it is important for people to know the stories which have been in circulation for thousands of years This is the approach taken throughout the book particularly in the sections about Persia s defeat of Greece at the famous Battle of Thermopylae Xerxes victory over 300 Spartans has been repeatedly portrayed in

literature and film albeit from a Hellenic point of view Abbott also relates significant parts of the story from the Greek perspective departing from Xerxes actions to praise the character and cunning of the Spartans He contrasts the nobility of the Spartans with the barbarity of Xerxes yet praises Xerxes accomplishments which included later burning Athens to the ground History of Xerxes the Great contains observations about the subjects of the story that make them more intriguing The Spartan obsession with personal appearance and long hair for example is a fascinating topic in one chapter The precise words spoken by the Oracle at Delphi is another History of Xerxes the Great is a page turning history that will please readers of all ages About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
