Phillips,2020-03-02 Lloyd Griffith is a city planner for a city that is on the verge of collapse Thankfully one neighborhood has been able to keep the city under budget by just having a gravel road But Lloyd and his new girlfriend Lilly are in for a wild ride when that gravel road suddenly makes itself heard in some pretty loud ways What can be done with a limited budget and a big problem that may take down the entire city God knows **Third Girl** Agatha Christie,2011-06-14 Three young women share a London flat The first is a coolly efficient secretary The second is an artist The third interrupts Hercule Poirot s breakfast confessing that she is a murderer and then promptly disappears Slowly Poirot learns of the rumors surrounding the mysterious third girl her family and her disappearance Yet hard evidence is needed before the great detective can pronounce her guilty innocent or insane **The Bishop and Other Stories** Anton Chekhov,2020-12-08 The Bishop and Other Stories 1919 is a collection of short stories by Russian writer Anton Chekhov The title story of the collection originally published in 1902 finds the author at his most introspective Written while Chekhov was dealing with the

long term effects of tuberculosis a period in which he began to accept the inevitability of his own death The Bishop is a meditative story that follows a dedicated man who in the face of oblivion wants nothing more than to go about his work to the best of his ability The Bishop is the story of a man named Pyotr Set during Easter Week it begins while Pyotr is passing out palms at a service on the night before Palm Sunday As he begins to feel faint he sees his mother whose presence he did not expect and begins to cry Over the next several days Pyotr goes about his duties caring for the sick and dying officiating at the local cathedral and meeting with his colleagues all while growing sicker and increasingly irritable As he succumbs to typhoid fever his mother and his faith are all he has left in a world that will soon forget him The Letter is a similarly religious earlier story in which a conversation between two priests Father Orlov and Father Anastasi is interrupted by the deacon As the three discuss what is to be done with the deacon s wayward son the difference between morality and mercy is illuminated for all to see The Bishop and Other Stories is a collection of seven short works of fiction by Russian literary icon Anton Chekhov With a beautifully designed cover and professionally typeset manuscript this edition of Anton Chekhov s The Bishop and Other Stories is a classic of Russian literature reimagined for modern readers Killing Time and Other Stories Joel Townsley Rogers, 2007-11 From THE JURY BOX Jon Breen s critical column in ELLERY QUEEN Mystery Magazine Joel Townsley Rogers Killing Time and Other Stories with introduction and afterword by Alfred Jan Ramble House Six longish pulp stories dating from 1934 to 1947 represent an undervalued writer The title story about a disabled World War II veteran trying to break into mystery writing offers affectionate parody and fair play detection while the magazine version of the classic The Red Right Hand captures its offbeat flavor only slightly less effectively than at full length The outre plots often involve coincidence though not to the fantastical extent of Harry Stephen Keeler whose complete works are offered by Ramble House An indispensable companion is the earlier Rogers collection Night of Horror and Other Stories Ramble House including the much anthologized minor classic The Murderer and a Rogers bibliography compiled by son Tom Rogers expanded by Francis M Nevins And here s what four of America s favorite authors about town have to say about Ramble House s two Joel Townsley Rogers collections NIGHT OF HORROR and KILLING TIME Rogers was the real deal author of a true masterpiece The Red Right Hand and a pulp man who could and did do it all If you want the strong heady thrill of genuine pulp and not the pale imitation that came later latch on to both of these collections immediately Ed Gorman Killing Time collects six pulp novellas by Joel Townsley Rogers including the original version of the classic The Red Right Hand along with a story about a pulp writer and a story with a character named Captain Sparrow whom I like to think is a distant cousin to the famous Pirate of the Caribbean Highly recommended Bill Crider The six tales gathered here are among Joel Townsley Rogers most accomplished pulp magazine contributions of the 30s and 40s cleverly plotted highly atmospheric suspenseful and dripping with menace The original magazine version of his classic crime novel The Red Right Hand and Alfred Jan s insightful analyses of Rogers work are the highlights Killing Time is a must for every connoisseur of vintage crime fiction Bill Pronzini Ramble

House has specialized in bringing neglected and sometimes alternative geniuses back into print First came the great Harry Stephen Keeler then the so clever Norman Berrow More recently Ramble House has been sparking the rehabilitation of Joel Townsley Rogers a versatile and prolific author who seemed to be totally forgotten save for one novel The Red Right Hand Killing Time is the second Ramble House collection of Rogers s shorter fiction and every story in it from the 1934 Murder of the Dead Man to the 1947 title story hits with a wallop and a sting Bravo Bravissimo Richard A Lupoff **A Hunger Artist and Other Stories** Franz Kafka,2012-04-12 A unique anthology of Kafka s stories and other short pieces by prize winning translator Joyce Crick with invaluable introduction notes and other editorial material by Kafka scholar Ritchie Robertson
