Penrose,2018-03-21 Excerpt from The Latter Day Saints Millennial Star Vol 71 April 8 1909 It is the same with the Prophet Joseph Smith and the Latter day Saints It is the gospel of the Son of God revealed anew in this last dispensation that has made the name of that man immortal and the saints the people that they are Without it in all probability the name of Joseph Smith would not have been known out side the locality in which he resided Scarcely a day passes with out adding lustre to the name of the latter day prophet and as the years go by it will become more and more illustrious It was the same with President Brigham Young It was Mormonism or the gospel of Jesus Christ which made him the great and mighty man that he was The same may be said of all the succeeding presidents of the Church and also of the Latter day Saints as a whole In their lives the power of the gospel has been plainly made manifest What a change the gospel of Christ has Wrought in the lives of tens of thousands of men and women in these latter days through obedience to its holy principles they have been literally regenerated born again made new creatures in Christ Jesus so that they are able to say with Paul we are not ashamed of the gospel of Christ for it is the power of God unto salvation How could we feel ashamed of that which has done so much for us Well might the Savior say He that is ashamed of me before men of him will I be ashamed before my Father and before the angels What have we to be ashamed of brethren and sisters Nothing under the sun On the contrary we have much to be proud of IS the great revelation which the Father and the Son have given of themselves in this dispensation something to be ashamed of Verily no Think of the state of ignorance from which that glorious manifestation has delivered hundreds of thousands of the human family What erroneous and absurd ideas we entertained concerning our Father in heaven before the glad tidings of that new revelation reached us Before we worshiped we knew not what now we worship

them I will liken him unto a wise man which built his house upon a rock and the rain descended and the oods came and the winds blew and beat upon that house and it fell not for it was founded upon a rock And every one that heareth these sayings of mine and doeth them not shall be likened unto a foolish man which built his house upon the sand and the rain descended and the oods came and the winds blew and beat upon that house and it fell and great was the fall of it matt 8 24 Now my friends the Lord restored the Priesthood through John the Bap tist to Joseph Smith and Oliver Cowdery which holds the power of baptism by immersion for the remission of sins and later he was visited by Peter James and John and they conferred upon him and upon his associate the Melchizedek Priesthood which is after the order of the Son of God thus conferring upon man the authority of God to ofi ciate in the name of the Father and of the Son and of the Holy Ghost N ow these things are true or they are not true And we come to declare to the world that we know they are true Therefore whosoever will receive these teachings and this doctrine and the blessings and privileges of the Holy Priesthood will eventually become heirs of God and joint heirs with Jesus Christ About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com **The Latter-Day Saints' Millennial Star, Vol. 68** Heber J.

Grant,2017-10-21 Excerpt from The Latter Day Saints Millennial Star Vol 68 May 24 1906 In the day thou eatest thereof thou shalt surely die Now it is a scriptural fact that Adam did not die in twenty four hours after partaking of the fruit We find that he lived to be nearly a thousand years old We may gather from this that a day with the Lord may be a great period of time with us As the forces have acted on the earth during these periods they have tended to make the earth a better dwelling place for mankind As man has progressed so the earth has progressed to meet his demands Through the countless years rivers have been formed which make commerce easier for man The eruptions which have taken place and the action of water in wear ing the crust of the earth down have made it possible for man to gain access to the minerals which are so needful to him and thus we can see how the earth is bettering itself for the abode of man Every atom of matter must fill the measure of its creation Man expects through the Gospel plan to become perfect even as God is perfect Man came here upon the earth to gain a schooling that was necessary to advance him up the scale of progression This earth was made for this express purpose and since it has been progress ing with man thus far why will it not progress further Man looks forward to being resurrected and becoming an immortal being Paul said If in this life only we have hope in Christ we are of all men most miserable This is true Man s thoughts go beyond the grave possibly to some imaginary heaven on some other planet If this earth was made for man why not this earth be the planet I do not mean in the con dition it is now but in a condition that would be fit for exaltation If man is resurrected why may not the earth also be regenerated and become the abode of immortals Why should we think to live on another planet when this earth has nourished us while going through our schooling The Savior in speaking to the apostles of future glory said I say unto you ye which have followed me in the regeneration when the Son of man shall sit on the throne of his glory ye also shall sit on twelve thrones judging the twelve tribes of Israel The word regeneration

means to change or a new birth Peter also voices this same thought When speaking to the people at Solomon s temple he said Repent ye therefore and be converted that your sins may be blotted out when the time of refreshing shall come from the presence of the Lord and he shall send Jesus Christ which before was preached unto you whom the heaven must receive until the time of the restitution of all things About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Latter-Day Saints' Millennial Star, Vol. 84 Orson F. Whitney, 2017-05-21 Excerpt from The Latter Day Saints Millennial Star Vol 84 November 9 1922 President Grant said it was a source of great satisfaction to him to see such a large attendance He said he had no recollection of any opening of conference on a week day when some of those attending had to stand He was grateful to see so many present hoped all would be fed on the bread of life and that whatever he said would be for the good of himself and the congregation When the Opening prayer was made he said and a supplication went up to God that law and order might be upheld he knew what the keynote should be President Grant then read a selection from the Doctrine and Covenants to the effect that laws and rulers should be upheld and order maintained That he said meant that men should be able to labor without running the risk of being killed by someone who objects to their doing such work The President said he was convinced beyond the shadow of a doubt that it is the duty of every Latter day Saint to obey the law to uphold the law and sustain the law It is the duty of every man and woman in the Church to uphold the laws This includes the prohibition law and the cigarette law President Grant said that only those men who will agree to support the cigarette law and keep it on the statute books should be supported by the Latter day Saints The founder of this Church met the Father and the Son face to face and his followers have been proclaiming that fact to the world since said the President He then read an account of the martyrdom of the Prophet Joseph Smith and his brother Hyrum how the Prophet declared he was going like a lamb to the slaughter The speaker said his mother had told him that a more God fearing man than Hyrum Smith never lived He declared he believes that Joseph and Hyrum are working on the other side for the advancement of the plan of salvation as they worked here and that they have attained the highest degree of exaltation Men can conspire and can work against the Church of God as established upon the earth the speaker said but no one can find a man since Jesus Christ who has done more for the salvation of mankind than Joseph Smith Hundreds of thousands of persons he said have a testimony of the truth of this fact and all the lies in the world cannot stop this work About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of
