Essays That Worked for Business Schools (Revised) Boykin Curry, Brian Kasbar, 2007-12-18. Applicants looking for the competitive edge in getting accepted at the business school of their choice may want to peruse this book. Security Traders Handbook. Every year thousands apply for a finite number of places in business schools. With similar grades, backgrounds, and goals, sometimes the only thing that can make an applicant stand out is the application essay. It's the best chance you have to shine and tip the balance in your favor. *Essays That Worked for Business Schools* shows that the best essays are brief, sincere, and personal. Some are off the wall, some are bold, all are unique to their creator. One applicant writes about starting his own airline. Another tells about the corruption in his job as a defense contractor. And a third reflects on his license plate. From the thousands submitted each year, the forty essays in this book were considered some of the best by admissions officers at the nation's top business schools. As this collection demonstrates with creativity and effort, you can turn almost any topic into an effective, successful essay for your business school application.

Accepted! 50 Successful Business School Admission Essays Gen S. Tanabe, Kelly Y. Tanabe, 2003-09. Prospective business school students will find everything they need to prepare successful admission essays in this book. Containing 50 real essays students have written to gain admission to top business schools, this guide details the strengths of each essay, the inspiration of the student who wrote it, and what makes it a winner. The essays represent a diverse group of students and include those with traditional consulting and business backgrounds as well as those with nontraditional backgrounds in areas such as public service, the military, and culinary arts. Crucial insights are included from business school admission officers who reveal what they are looking for in applicants, and successful applicants describe what worked for them and the mistakes they made that future applicants should avoid. Also included are strategies for the entire admission process, including how to research the type of students that each school is seeking, ace the interview, and get powerful recommendations.
