Curriculum Design for Writing Instruction Kathy Tuchman Glass, 2004-12-09 Replete with strategies examples and reproducibles this guide is invaluable for any teacher who wants to boost student achievement in writing for any subject or grade level *Reinventing the Middle School* Thomas S. Dickinson, 2013-06-17 Many contemporary American middle schools are stuck in a state of arrested development failing to implement the original concept of middle schools to a varying though equally corruptive degrees The individual chapters of the book outline in detail how to counter this dangerous trend offering guidance to those who seek immediate significant internal reforms before we lose the unique value of middle schools for our nation's adolescents Rubrics for Assessing Student Achievement in Science Grades K-12 Hays B. Lantz, 2004-02-06 I recommend Rubrics for Assessing Student Achievement in Science Grades K 12 to any school district that is moving toward a standards based curriculum It will serve as a valuable tool for assessing student learning Grace Cisek Director of Mathematics and Science Curriculum Chester County Intermediate Unit PA At last science educators will now be able to use custom made rubrics to assess and evaluate student performance in the standards based science classroom Combining clarity detail utility and practicality veteran educator and author Hays B Lantz Jr offers the most complete collection of evaluation and assessment tools in science education available today This concise handbook was designed to improve the quality and uniformity of evaluation as well as assessment of student progress Written in language appropriate for both students and teachers in grades K 12 there are over 100 ready to use performance lists holistic rubrics and analytic rubrics that contain clear descriptions of the particular traits and qualities desired in student products and performances Key features distinguishing this book include Scoring tools for a wide range of products and performances found in effective science classrooms and programs Assessment tools that differentiate by learning levels providing a scaffolding of increasingly complex expectations across the grades Years of extensive field testing of the evaluative criteria Rubrics for Assessing Student Achievement in Science Grades K 12 is a valuable resource that will help to measure what students know and are able to do in the science classroom It will yield more consistent and defensible judgments more precise feedback and sharper student learning and performance Educational Coaching Cathy A. Toll, 2018-03-22 Educational coaches whether math literacy instructional or curriculum coaches vary in the content of the work they do and in the grade range of the teachers with whom they work But good coaching is good coaching as coaching expert Cathy A Toll affirms in this her newest book All coaches seek to help solve problems and increase teacher success and they all depend on effective collaboration to do so This practical guide shows readers how to get the most out of educational coaching It details Models of coaching that enhance teachers thinking help them overcome obstacles to success and lead to lasting change Three phases of the problem solving cycle Characteristics of effective coaching conversations Components of CAT connectedness acceptance and trustworthiness that are essential to the partnership Practices that support teamwork Toll also tackles the obstacles that

hinder a coach's success administrators who don't understand coaching and teachers who don't want to engage Full of insights and answers Educational Coaching is for all coaches and those who lead them **Middle School Journal**, 1996
