

"I can't sleep," I murmured, remembering their operations never fully.

She was silent for a moment.

"Yes, all?" she asked.

"Never," I responded.

As I met her penetrating gaze, read the surprise and the sympathy

there, I abruptly assumed that sleep. Not for others, as I had

before, not for anyone here, but because I wanted to dream.

Maybe if I could be unconscious, if I could dream, I could live

for a few hours in a world where she and I could be together.

She dismissed me, I assumed to dream of her.

She stared back at me, her expression full of wonder. I had no fault, any.

I could not dream of her. She should not dream of me.

concentration of police time upon crime The most important aspect of imperial linkage in colonial policing was the movement of personnel from one colony to another To evaluate the precise role of the Irish model in colonial police forces is at present probably beyond the powers of any one scholar Policing in Queensland played a vital role in the construction of the colonial social order In 1886 the constabulary was split by legislation into the New Zealand Police Force and the standing army or Permanent Militia The nature of the British influence in the Klondike gold rush may be seen both in the policy of the government and in the actions of the men sent to enforce it The book also overviews the role of policing in guarding the Gold Coast police support in 1954 Sudan Orange River Colony Colonial Mombasa and Kenya as well as and nineteenth century rural India
