Authorized edition. The life and public services of James Buchanan, late minister to England ... including the most important of his state papers, etc Rushmore G. HORTON,1856 **A New Life of Jesus. Authorized Translation** David Friedrich Strauss,1865 The holy Bible, authorized version, with emendations [by J.T. Conquest]. John Tricker Conquest,1841 The holy Bible, from the authorized tr., with a comm. and critical notes by A. Clarke Adam Clarke,1817

The Gospel-Narrative, According to the Authorized Text of the Evangelists ... By the Rev. John Forster ... The Third Edition, Corrected ,1847 **The Blind Owl (Authorized by The Sadegh Hedayat Foundation - First Translation into English Based on the Bombay Edition)** Sadegh Hedayat,2012-08-01 Widely regarded as Sadegh Hedayat s masterpiece the Blind Owl is the most important work of literature to come out of Iran in the past century On the surface this work seems to be a tale of doomed love but with the turning of each page basic facts become obscure and the reader soon realizes this book is much more than a love story Although the Blind Owl has been compared to the works of the Kafka Rilke and Poe this work defies categorization Lescot s French translation made the Blind Owl world famous while D P Costello s English translation made it largely accessible Sadly this work has yet to find its way into the English pantheon of Classics This 75th anniversary edition translated by award winning writer Naveed Noori and published in conjunction with the Hedayat Foundation aims to change this and is notable for a number of firsts The only translation endorsed by the Sadegh Hedayat Foundation The first translation to use the definitive Bombay edition Hedayat s handwritten text The only available English translation by a native Persian and English speaker The preface includes a detailed textual analysis of the Blind Owl Finally by largely preserving the spirit as well as the structure of Hedayat s writing this edition brings the English reader into the world of the Hedayat s Blind Owl as never before Extensive footnotes explaining Persian words phrases and customs ignored in previous translations provide deeper understanding of this work for both the casual reader and the serious student of literature There are indeed marked differences between Costello s and Noori s translations As Noori indicates his attempt to preserve the overabundance of dashes gives the reader a more immediate sense of the narrator s agitation The first sentence flows on in Noori s translation piling sensation upon sensation never allowing us to pause and catch our breath or separate out the images from the sensations In his discussion of the relationship between his translation and Costello s Noori also draws on translation theory and sees Costello s focus on the fluidity of the text in English as a domestication of Hedayat s original Noori s new English translation and his preface are a welcome addition and will no doubt draw the attention of scholars interested in Hedayat s works The close textual and comparative analysis of the type Noori offers marks a new and long overdue critical approach to the translation of the most celebrated work of modern Persian prose Professor Nasrin Rahimieh in *Middle Eastern Literatures* **The Holy Bible, Containing the Authorized Version of the Old and New Testaments** ,1841 *The Book of Job, Translated ... on the Basis of the Authorized Version: Explained in a Large Body of*
