*The Lord Is My Song* Mark G. Turner, 2016-04-12 Having been involved in Christian music for many years I have made an unfortunate observation Far too often music has been the primary focus of many worship practices and events Our Lord whom we love must be restored to the central point of our worship As an orchestral composer I realize how alluring music can be We must set this allurements aside and refocus on Gods glory If artistic beauty and musicianship have taken center stage then our music may have become a sinful source of pride Singers and musicians have sometimes become involved in worship teams and choirs without ever having begun a personal relationship with our Lord Jesus and when their musical motivation fades they depart having never learned to love Him Music is the organized auditory communicative expression by the living of the life they possess and the truths they profess In worship we affirm His worth Worship as an act of the will indicates our position as His obedient people and He as Lord must receive our adoration It is my intent with these devotionals based on seventy five passages of Scripture comprising 291 verses to provide a valuable resource for all who lead worship

**Why Is My Forever Taking Forever?** Marianne Mencias, Why has nothing ever worked out What s all this waiting for You meet someone potentially great but he turns out to be a miserable flop You may have entertained relationships just to feel good about yourself but then it leaves you with a scarred heart You may have found someone attractive but you don t seem to exist to him Or you may still be hung up on your ex the one that got away You may even have tried to make things happen but they all have proven to be a waste of time Then you begin to wonder Is there something wrong with me On good days you ask What is wrong with the guys And when you go to the malls you see sweet couples holding hands and you can t help but think When will it be my turn Single season my life filled with frustrations but trust me it can also be a time of real

question at one time or another At the time of the death of my wife I a visual artist unable to express an appropriate answer in the two dimensions I knew one I could remain living with could only do what my heart dictated For better or worse for richness of thought or paucity in meaning I arrived at a type of marriage between the known and the spiritual one speaking of both and of the love affair that paradoxically never ended which still exists in a spiritual context Joseph Anthony Russo
