One: A Memoir of Hope Wendy Moses,2020-10-20 By the age of twelve Wendy Moses had been diagnosed with three life threatening diseases Cushing s Syndrome a neuroendocrine tumor and multiple endocrine neoplasia plagued her body Because no doctor had ever seen a case like hers before she was given less than six months to live Suddenly her childhood was filled with tests scans and appointments while multiple doctors tried anything and everything to save her life This is a story of fear as Wendy s family had to stare into the face of death It is a story of pain as wave after wave of bad news battered her young heart It is a story of dishonesty as she tried to cover her mental and emotional pain with drugs It is a story of solitude as being the only one left her heart empty and starving for empathy from those who would never understand Wendy s story is also filled with love from her family It is filled with comfort in the many prayers and well wishes from countless friends and strangers It is filled with peace that there is a purpose for her years of pain But most of all this is a story of hope Hope in forgiveness hope in healing hope in the knowledge that her life holds value Hope that maybe just one life will be changed by her story **You're the Only One I've Told** Meera Shah,2020-09-01 Moving multifaceted and

deeply human as eye opening as it is compelling Cecile Richards author of *Make Trouble* At a time where reproductive rights are at risk these vital stories of diverse individuals serve as a reminder of the importance of empathy finding community and motivating advocacy For a long time when people asked Dr Meera Shah Chief medical officer of Planned Parenthood Hudson Peconic what she did she would tell them she was a doctor and leave it at that But when she started to be direct about her work as an abortion provider an interesting thing started to happen one by one people would confide that they d had an abortion themselves The refrain was often the same You re the only one I ve told This book collects these stories as they ve been told to Shah to humanize abortion and to combat myths that persist in the discourse that surrounds it A wide range of ages races socioeconomic factors and experiences shows that abortion always occurs in a unique context Today a healthcare issue that s so precious and foundational to reproductive social and economic freedom for millions of people is exploited by politicians who lack understanding or compassion about the context in which abortion occurs Stories have the power to break down stigmas and help us to empathize with those whose experiences are unlike our own A portion of proceeds will be donated to promote reproductive health access

**Am I the Only One Crazy?** Myron Lee,2014-07-29 The desire to write this book was at first born out of frustration of yet another failed relationship In the midst of this frustration I attempted to explain what I felt love really was to someone who I thought at that moment to not have a clue From this relationship I began to explore my mind and remember how love first found me From there this book was born In no way am I professing to be an authority on love or relationships I have no degrees or licenses which can validate it I am only sharing my most intimate experiencesallowing you to be there and hopefully feel what I felt and see through my eyes my life as it existed in those moments To say that I m a hopeless romantic is a very accurate description of a huge part of me I believe in the truth of love because love is responsible for our very existence If not for our father in heaven non of us would exit My hope is that you will be inspired by my story and that you will avoid many of the situations I encountered by cherishing yourself and the essence of love If you do this then I will have accomplished my goal May love live on in you
