**Cosmic Initiative** Jack R. Taylor,2017-01-17 Jesus never said Seek first about any pursuit or purpose except the kingdom of God But the church has essentially abandoned this central message so that kingdom realities have become lost to us Our neglect has been costly because God s kingdom on earth His cosmic initiative has the authority and power to revolutionize our culture This transformation occurs first within us and then around us igniting the world with forgiveness healings miracles righteousness and peace The reason most people today do not seek the kingdom is that they have not seen it Once they truly see it they seek and follow the remarkable vision they have glimpsed This is because discovering the kingdom is not just information but an adventure in revelation and transformation Well known speaker and kingdom seeker Jack Taylor invites us to be reintroduced to the kingdom of God and to experience the recovery of the kingdom gospel leading to kingdom power kingdom love and the greatest kingdom harvest the world has ever seen The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar,2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden s authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and Eden s perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism
