

China releases a 15-year (2021-2035) blueprint on the development of intellectual property rights

1

Construct an intellectual property system oriented to socialist modernisation.

2

Construct an intellectual property protection system that supports a world-class business environment.

3

Construct an intellectual property market operating mechanism that encourages innovation and development.

4

Construct a public service system of intellectual property rights (IPR) that is convenient and beneficial to people.

5

Construct a humanistic social environment that promotes the high-quality development of intellectual property.

6

Participate deeply in global intellectual property governance.

7

Organisational safeguards should be provided.
