Essentials of Life-Span Development John Santrock, 2007-08-01 The entire lifespan in 500 pages What's the greatest challenge in teaching the Life Span Development course Covering a lifetime of material in a single term Instructors from across the country have clamored for a streamlined text that captures the core concepts of life span development Essentials of Life Span Development was carefully designed and constructed to deliver these core concepts along with a strong applications focus reflecting the broad range of interests and backgrounds of students taking this course And as always with John Santrock's texts the latest research in the field is incorporated throughout

A Therapist's Guide to Child

Development Dee C. Ray, 2015-10-14 A Therapist's Guide to Child Development gives therapists and counselors the basics they need to understand their clients in the context of development and to explain development to parents The chapters take the reader through the various physical social and identity developments occurring at each age explaining how each stage of development is closely linked to mental health and how that is revealed in therapy This ideal guide for students as well as early and experienced professionals will also give readers the tools to communicate successfully with the child's guardians or teachers including easy to read handouts that detail what kind of behaviors are not cause for concern and which behaviors mean it's time to seek help As an aid to practitioners this book matches developmental ages with appropriate evidence based

mental health interventions **Ebook: Life-Span Development** Santrock,2016-09-16 Ebook Life Span Development
