Climate Benefits of Material Recycling Hillman, Karl,Damgaard, Anders,Eriksson, Ola,Jonsson, Daniel,Fluck, Lena,2015-07-06 The purpose of this project is to compare emissions of greenhouse gases from material recycling with those from virgin material production both from a material supply perspective and from a recycling system perspective The method for estimating emissions and climate benefits is based on a review followed by a selection of the most relevant publications on life cycle assessment LCA of materials for use in Denmark Norway and Sweden The proposed averages show that emissions from material recycling are lower in both perspectives comparing either material supply or complete recycling systems The results can be used by companies and industry associations in Denmark Norway and Sweden to communicate the current climate benefits of material recycling in general They may also contribute to discussions on a societal level as long as their average and historic nature is recognised

Lay Prophets in Lutheran Europe (c. 1550-1700) Jürgen Beyer,2017-03-27 Lay prophets in Lutheran Europe c 1550 1700 is the first transnational study of the phenomenon of angelic apparitions in all Lutheran cultures of early modern Europe J rgen Beyer provides evidence for more than 350 cases and analyses the material in various ways tracing the medieval origins studying the spread of news about prophets looking at the performances legitimising their calling noting their comments on local politics following the theological debates about prophets and interpreting the early modern notions of holiness within which prophets operated A full chronology and bibliography of all cases concludes the volume Beyer demonstrates that lay prophets were an accepted part of Lutheran culture and places them in their social political and confessional contexts

Handbook of BRICS and Emerging

Economies PB Anand,Shailaja Fennell,Flavio Comim,2020-12-16 Ever since Jim O Neill at Goldman Sachs coined the term BRICS in 2001 there have been many different assessments of these major emerging economies with some even proclaiming that the promise of the BRICS comprising Brazil Russia India China and South Africa is over However the so called arranged

marriage still seems to be working well with the club having become a formal international forum with summit declarations ministerial meetings and numerous BRICS wide fora Is this euphoria misplaced Is there a BRICS model of economic and human development Are inequalities increasing and is this the denouncement of the economic successes Are geo political tensions rising between these nations During the post COVID 19 situation the importance of bilateral and multilateral co operation mechanisms and institutions is becoming clear This book focuses on one such emerging co operation mechanism of BRICS but also more widely on those five countries and other similar economies As a global depression looms large global economic recovery depends on the performance of not only its largest economies but also many other important and significant economies within the so called G20 group Even prior to the COVID 19 outbreak multilateral institutions have been under considerable strain as with the relationship between the United States of America and China and risks to global economic recovery appear very real This book brings together multi disciplinary perspectives from over sixty scholars and it presents a comprehensive and deep dive into the BRICS and emerging economies and into an understanding the political economic and social contexts that can help in designing approaches for recovery and regaining the last momentum in the journey towards the Sustainable Development Goals

The Dala Law Inger Larsson, 2024-11-15 The Dala Law is known through only one remaining medieval manuscript written c 1335 1353 and shows strong influence from older Swedish provincial law It is one of the oldest known texts revealing details of life and conditions in medieval Dalar during the thirteenth and early fourteenth centuries Contradicting older assumptions that this might have been an older law of V stmanland the Dala Law is well adapted to prevailing conditions in medieval Dalarna Dalar In contrast to most provincial laws where the lawman had a central position in the Dala Law it is the written word the law book that is addressed and appealed to Although the text is comparatively short this English translation is an important tool for facilitating the internationalisation of Swedish research and making Nordic material more accessible for international scholars Aided by maps which show medieval Dalarna V stmanland and the value of the mining industry in the area this text provides crucial insight into the history life and culture of medieval Dalar which has never been seen before in the English language With an Introduction that places medieval Dalarna Dalar in its geographical judicial and ecclesiastical contexts The Dala Law is an essential resource for all students and scholars interested in medieval Swedish history and law

Analysis in Banach Spaces Tuomas Hytönen, Jan van Neerven, Mark Veraar, Lutz Weis, 2023-12-07 This third volume of Analysis in Banach Spaces offers a systematic treatment of Banach space valued singular integrals Fourier transforms and function spaces It further develops and ramifies the theory of functional calculus from Volume II and describes applications of these new notions and tools to the problem of maximal regularity of evolution equations The exposition provides a unified treatment of a large body of results much of which has previously only been available in the form of research papers Some of the more classical topics are presented in a novel way using modern techniques amenable to a vector valued treatment Thanks to its accessible style

with complete and detailed proofs this book will be an invaluable reference for researchers interested in functional analysis harmonic analysis and the operator theoretic approach to deterministic and stochastic evolution equations

Searching for New Welfare Models Rolf Solli, Barbara Czarniawska, Peter Demediuk, Dennis Anderson, 2020-10-29 This book explores the ways in which different generations think about how the welfare state is organised at present and how it will be organised in future Using the results of a study from Canada Australia and Sweden the book's findings complement more traditional studies of the welfare sector capturing the anxieties of citizens about the present and future of their countries welfare models and presenting their thoughts on how the system can be re organised in future Positioning their three country study within the history of the welfare state around the world the authors seek to re assess the role of the welfare state in governments around the world Their findings will be of interest to those studying welfare policy as well as

innovations such as basic income e health and policy responses to automisation

Comparative Just War Theory Luis Cordeiro-Rodrigues, Danny Singh, 2019-10-23 Widespread cross cultural and cross ideological agreement on the justifiable limits of war has become an increasingly complex yet vital element of global peace and conflict policies Lu s Cordeiro Rodrigues and Danny Singh bring together a truly international cohort of philosophers ethicists political scientists criminologists sociologists and other scholars to address the morality of war from a comparative perspective While conceptions of when to enter war *jus ad bellum* and how to fight war *jus in bello* have been well researched in Western liberal contexts non Western philosophies have been largely excluded from debate This volume seeks to correct that imbalance by addressing concrete examples alongside concepts of Confucian Yi Rightness Ahimsa feminism class struggles Ubuntu anarchism pacifism Buddhism Islam Jihad among others Comparative Just War Theory provides a global conceptual framework to deal with the morality of war in our modern world With fresh insights into how the normative problems that arise from just war can be addressed the book will be a valuable resource for a wide variety of students scholars and policymakers

Illdisciplined Gender Jacob Bull, Margaretha Fahlgren, 2015-11-19 This volume offers some of the outputs challenges and opportunities created in an interdisciplinary programme that was set up to engage multi inter and transdisciplinary perspectives on issues at the intersections of nature and culture sex and gender When working with mass spectrometers microscopes discourse analysis or interviews one rarely has to explain them to colleagues They are the tools used But when working in inter or transdisciplinary settings such tools require explanations These conversations make evident that trans and interdisciplinary gender research is a not just a novelty requiring an adjectival prefix trans or inter it is something done performed practiced Moreover it is something done in particular spaces a consequence of particular meetings transgressive encounters This collection is built on work conducted under the GenNa Nature Culture and Transgressive Encounters Research Programme funded by the Swedish research council It brings together a range of scholars from the humanities natural physical life and social sciences by so doing it reflects on the challenges risks and

opportunities of doing trans and interdisciplinary work The result is a collection that uses a multitude of tools to examine issues such as sexual difference hydro power exploitation research seminars dairy farming the spaces between molecules film and identity They are witness to the diversity created through transgressive encounters and illustrations of doing inter and transdisciplinary research **The Political State of Great Britain** ,1722 **Bodies, Beings, and the Multiple**
