Give Us the Fire! MJ Wise, 2014-08-08 What if you land on a planet the day its messiah is born and you are the only one who can save the baby girl from being murdered This is what happens in Give Us the Fire the memoir of starship medical officer Meg Salazar is set amid the clash of two cultures as five survivors of a starship confront an iron age culture with a strong but warped spirituality Guarding the baby they rescue Meg and her four fellow survivors determine to blend in and help the primitive society prosper as best they can with their limited resources They attract a small following of locals and set up a rudimentary industrial commune on the outskirts of a large city But the commune's peaceful aims soon conflict with the brutality of the dominant culture And despite their efforts to protect her as soon as the girl Mioco comes into womanhood she runs afoul of the authorities for speaking out against their tyranny Unstoppable Mioco is determined to found a new community and wins Meg's support though not her understanding since Meg believes that science precludes spirituality Tragedy follows but it is not the final word With the help of Meg and the other crew members the planetary culture is forever changed

Underwater Daughter Antonia Deignan, 2025-07-30 In the spirit of *The Glass Castle* and *The Burning Light* of Two Stars Antonia Deignan delivers what New York Times best selling author Julie Cantrell calls a heart shattering memoir of painful truth and soulful healing As a child Antonia perceived her father's nighttime visits as special acts of love On some deeper level though she knew what was happening wasn't right To escape she began creating imaginary worlds and used dreams to transport her away from her fears As she got older Antonia traded those fantasies for dance but despite her outlets she remained trapped underwater without a lifeline to make her feel fundamentally safe For years Antonia silently navigated the dark fathoms of her internalized pain which manifested in myriad self destructive habits disordered eating drug and alcohol abuse Only decades later while recovering from a serious bike accident did she finally stop running and start reflecting giving her the power to fully accept what had happened to her in her

early life and ultimately forgive the unforgivable Raw and visceral yet gorgeously lyrical Underwater Daughter masterfully conveys not only the rippling effects of childhood trauma but also the hope that with honesty and work healing is possible
