

Educational Philosophy

[FILL IN THIS PART TO REFLECT YOUR OWN PERSONAL EDUCATIONAL PHILOSOPHY] My desire is to instill a love of learning with my children. I want them to follow their interest in an effort to expand their knowledge base. I want to provide them with the tools necessary to find their own answers to questions that arise. I encourage questions and open discussion on anything we study. I believe in the value of literature and, as such, base our history on quality literary materials.

Educational Goals

[EDIT TO REFLECT YOUR OWN GOALS] Our educational goals for this year were to really engage in our history studies and find connections between our past and our present and our future. Math, Science, and Language Arts were also key elements in our school day and we encouraged a deeper understanding of math concepts as they were presented.
