Hidden In The Heart:

The Hidden Heart Jane Orcutt, 1998 4 1 2 Stars Pick of the Month In this beautiful love story two hearts seek God's redemption one sin scarred the other wounded and terrified of falling in love Jane Orcutt's name may be fairly new to readers but her work is every bit as fantastic as veteran authors and like cream she's certain to rise to the top Romantic Times Elizabeth Cameron Seeking to leave her troubled past behind nineteen year old Elizabeth Cameron decides to join a religious group in Belton Texas There she believes she and five year old Joseph her Indian charge will be hidden from a cruel world But fear for Joseph's safety keeps her from betraying the terrible secret that the child is more dear to her heart than she can ever claim Caleb Martin A former gunfighter and robber Caleb Martin reluctantly agrees to escort Elizabeth to Belton He'll do anything to receive a governor's pardon even if it means watching over the irritatingly prim young woman After this final assignment he'll finally have what he wants most of all his freedom Yet along the way he learns that there may be something else he needs even more Elizabeth and Caleb soon find their lives and hearts intertwined But can their love break through their shields of self protection and secrecy to reach and heal *The Hidden Heart* Ignacio Haro, 2024-11-19

The story follows the Benecke family as they are uprooted from their home in Liechtenstein by the Gestapo and are sent by cattle car to Auschwitz concentration camp Through lucid details and engaging dialogue the author captures the traumatic and melancholy experiences the family and countless other Jewish men women and children undergo as prisoners in the most notorious of death camps From their arrival on the platform and through the selection process the family witnesses the traumatic horrid acts of violence perpetrated upon the innocent prisoners by the sadistic heartless camp personnel Through their faith in God tacit resilience and the unorthodox assistance of an SS officer the family finds a way to survive and share their experiences for posterity *Hidden Heart* Amy Lane, 2021-08-31

Search and Rescue Book Four Search and rescue worker Spencer Helmsley has everything he needs a job he loves a flight partner he'd die for and an amazing dog Then he flings himself out of a helicopter to rescue Theo Wainscott Stuck on a raft in the middle of a flood with the most stubborn argumentative man in the world Spencer soon finds himself asking not how they'll survive but what'll kill them first the water each other or the sexual tension While Theo and Spencer are trying to beat the odds Theo is also trying to beat some sense into his rescuer Spencer seems to have no regard for his own safety and that's a problem for Theo Maybe he's never seen another gay man in the wild but it doesn't take him long to recognize that he'd like to get to know this one better If they make it out alive Theo will have his work cut out for him convincing Spencer to risk his heart instead of his life *The heart of Jesus of Nazareth, meditations on the hidden life, repr. from the 'Messenger of the sacred heart', and preceded by an essay, by cardinal Franzelin, on 'devotion to the sacred heart'. Hidden Hearts Larry Smith, Betty Beeby, 2019-03-25 The original story of Hidden Hearts The Peterborough Letters begins when Betty Beeby finds a cache of decades old letters and diaries in an old barn on the family property in

northern Michigan Along with veteran journalist Larry Smith she sorts and makes sense out of dozens of letters and diaries depicting a fascinating and colorful world long gone This is the story of Minnie Griffin and the child she bore out of wedlock in 1876 Minnie is told her son is dead a month after his birth Instead unbeknownst to its mother the child has been put up for adoption Twenty seven years later the son Loren Post seeks Minnie out By then she has an orderly independent life as a dressmaker in Peterborough Ontario The shock of learning her son is alive shatters her peace and plunges her into a tumult of raging emotions It is 1904 when Loren takes off to meet his best friend and road buddy Norton Pearl at the World s Fair in St Louis But first he must go to Peterborough to meet and spend a week with Minnie The adventure will take the two young men to the fair and beyond to New Orleans Texas the Grand Canyon Oregon and Montana while Minnie pursues him with letters posted via general delivery Captivating and comical experiences spring to vibrant life through the original writings of the young men and women whose stories intersect with Minnie and Loren and Norton Hidden Hearts The Peterborough Letters is an extraordinary look into 1904 America It portrays authentic hallmarks of a particular time in our history the earnest appetite for culture and self improvement the casual unthinking racism and sexism and the respect for hard work and endurance But it is also a touching human story of a family reunited that will stay with you for a long time *Hidden Hearts at Christmas* Paul Knox,2024-11-08 Hidden Hearts at Christmas a novel by Paul Knox **The Hidden Heart** Barbara Cartland,2023-12-01 When her mother dies lovely Sylvia Mace is left penniless and homeless Rather than depend on the charity of her unpleasant uncle she must find work and is entrusted with the upbringing of Sir Robert s daughter at Sheldon Hall But a sinister secret overshadows all those living at the Hall which is ruled by a possessive and ambitious old dowager Lady Clementine In a cruel twist of fate a murder is revealed by a spurned mistress leading to another death and Sylvia must choose between her love of the child and her hidden love for Sir Robert With few people she can trust she runs to safety but her ward lies dangerously ill How the secrets of the past are exposed and how she returns to the Hall to save the lives of those she loves are all revealed in this thrilling tale of betrayal lies and overwhelming love **Hidden Heart of the Cosmos** Swimme, Brian Thomas ,2019-10-24 First published in 1996 Hidden Heart of the Cosmos sought to answer the question What does it mean to be human to live on planet Earth in the universe as it is now understood In this new and updated edition bestselling author and evolutionary cosmologist Brian Thomas Swimme takes us on a journey through the cosmos in search of the new story that is developing in response to this age old question Publisher **Augustine's Invention of the Inner Self** Phillip Cary,2000 Phillip Cary argues that Augustine invented the concept of the self as a private inner space a space into which one can enter and in which one can find God This study pinpoints what was new about his philosophy of inwardness and situates it within a narrative of his intellectual development and relationship to the Platonist tradition **Augustine's Invention of the Inner Self : The Legacy of a Christian Platonist** St. David's Phillip Cary Director of the Philosophy Program Eastern College, Pennsylvania,2000-06-12 In this book Phillip Cary argues that

Augustine invented the concept of the self as a private inner space a space into which one can enter and in which one can find God Although it has often been suggested that Augustine in some way inaugurated the Western tradition of inwardness this is the first study to pinpoint what was new about Augustine s philosophy of inwardness and situate it within a narrative of his intellectual development and his relationship to the Platonist tradition Augustine invents the inner self Cary argues in order to solve a particular conceptual problem Augustine is attracted to the Neoplatonist inward turn which located God within the soul yet remains loyal to the orthodox Catholic teaching that the soul is not divine He combines the two emphases by urging us to turn in then up to enter the inner world of the self before gazing at the divine Light above the human mind Cary situates Augustine s idea of the self historically in both the Platonist and the Christian traditions The concept of private inner self he shows is a development within the history of the Platonist concept of intelligibility or intellectual vision which establishes a kind of kinship between the human intellect and the divine things it sees Though not the only Platonist in the Christian tradition Augustine stands out for his devotion to this concept of intelligibility and his willingness to apply it even to God This leads him to downplay the doctrine that God is incomprehensible as he is convinced that it is natural for the mind s eye when cleansed of sin to see and understand God In describing Augustine s invention of the inner self Cary s fascinating book sheds new light on Augustine s life and thought and shows how Augustine s position developed into the more orthodox Augustine we know from his later writings Hidden Treasures of the Heart Donald Downing,2000 What is hidden in your heart Your heart is the key to life both natural and spiritual If you aren t careful with your heart you run the risk of becoming vulnerable to the attacks of the enemy This book explains the changes you need to make to ensure that your commitment to God is from the heart and encourages you to make those changes Don t miss out on the greatest blessing of all a clean heart
