Hidden Away Elizabeth Castle, 2024-03-06 Brothers though not by blood must face the dangers of the past to win the women of their dreams. Most people consider Dr Isaac Brandt to be old-fashioned stodgy and prone to lecturing. Certainly Delilah Fitzpatrick does. Isaac doesn't know how to get on her good side to show her that he could be the man for her. His friends try to push the two of them together but Delilah wants nothing to do with him that doesn't involve work. Lilah Fitzpatrick is intimidated by Isaac's genius. She admires his work and is excited to be collaborating with him on a graphic novel series but she keeps her emotional distance preventing even the shallowest of friendships. She has enough on her plate and dating is at the bottom of a long list of priorities. When Isaac declares he wants a relationship with Lilah she doesn't know what to think. What she does know is that he would be better off with a woman as smart as he is and she is not that woman. But fate steps in and hidden dangers from Isaac's past find him and threaten his chance at happiness. And puts Delilah in the crosshairs of a killer. Isaac has no choice but to tell his friends the secrets he holds. Secrets he's held for fifteen years and take steps to keep Delilah safe. Even if that means sacrificing his budding relationship with her. Note from author: This is the third book in the Cantwell Quartet four book series approximately 53,000 words. Please note this is an open door romance. I hope you enjoy. Lizzy Castle

**The Hidden History of the Tibetan Book of the Dead** Bryan J. Cuevas, 2005-12-08 In 1927 Oxford University Press published the first western language translation of a collection of Tibetan funerary texts: the Great Liberation upon Hearing in the Bardo under the title The Tibetan Book of the Dead. Since that time the work has established a powerful hold on the western popular imagination and is now considered a classic of spiritual literature. Over the years The Tibetan Book of the Dead has inspired numerous commentaries, an illustrated edition, a play, a video series, and even an opera. Translators, scholars, and popular devotees of the book have claimed to explain its esoteric ideas and reveal its hidden meaning. Few, however, have uttered a word about its history. Bryan J. Cuevas seeks to fill this gap in our knowledge by offering the first comprehensive historical study of the Great Liberation upon Hearing in the Bardo and by grounding it firmly in the context of Tibetan history and culture. He begins by discussing the many ways the texts have been understood and misunderstood by westerners, beginning with its first editor, the Oxford-educated anthropologist Walter Y. Evans-Wentz, and continuing through the present day. The remarkable fame of

the book in the west Cuevas argues is strikingly disproportionate to how the original Tibetan texts were perceived in their own country Cuevas tells the story of how The Tibetan Book of the Dead was compiled in Tibet of the lives of those who preserved and transmitted it and explores the history of the rituals through which the life of the dead is imagined in Tibetan society This book provides not only a fascinating look at a popular and enduring spiritual work but also a much needed corrective to the proliferation of ahistorical scholarship surrounding The Tibetan Book of the Dead The Protector Allison Butler,2015-12-01 The Scottish Highlands meet The Bachelorette in this new historical romance from Allison Butler Heiress of clan Gordon Mairi has been given a gift the choice of her husband Her father has found three worthy suitors and each is coming to the Keep She will spend time with every man and make her decision But love is not a luxury Mairi allows herself she is driven by duty driven by the memory of the failure eleven years earlier that cost her father everything She will choose a worthy husband one who will serve the clan wisely and take nothing for herself especially not the dark haired stranger tasked with her protection while she makes her decision Lowlander Duff may not know his origins but he knows how to wield his sword Granted one year s leave from his duties to the Elliot Clan Duff travels to the Highlands in search of his past Instead he finds an arrogant beauty in need of rescue Impressing her father the head of clan Gordon he is named her temporary protector and must keep her safe as she is courted by three potential husbands What Duff doesn t expect is the low hum of jealousy and the rising wave of attraction that makes protecting Mairi easy but keeping his distance impossible Allison Butler kicks off a brand new Scottish Historical series with brave lowland warriors spirited highland brides and what exactly goes on underneath those kilts **Technical Manual** ,1943 **Cramping Chronicles: The Fourth Torment** Joey Paul, It wasn t supposed to happen like this A nightmare to live a rotting woman haunting her waking thoughts and any sleep she manages pulls her back to another world Jessie is fast running out of life lines and she doesn t know who to turn to One thing is clear she is nobody s weapon and when Molly offers her help Jessie has no choice but to accept She s tired of being left alone with an ability she can t control And what about the strange empath from the past who claims to have a link to Jessie Will she help Jessie face this momentous task Empath life has never been more dangerous and with nowhere to turn Jessie has to face it head on and hope she doesn t drown in the waves The Hidden Life of the Sixth Dalai Lama Dar-rgyas No-mon-han Lhun-grub-dar-rgyas,2011-01-01 This is the first English translation of a Dalai Lama s biography and is highly significant for the historical study of the Gaden Phodrang period around the turn of the seventeenth century It is not only a biography but a historical narrative of a legendary character and illustrates the nature and understanding of Tibetan hagiographical and mystical literature within a sociopolitical context **Air Conditioning Unit, Skid-mounted, Self-contained Type, Water-cooled, with Cooling Tower, Motor-driven, 5-HP, 220 Volt, 3 Phase, 60 Cycle, 70,000 BTU Per Hour, Typhoon Model SA-500** ,1955 **Technical Manual** United States Department of the Army,1954 The Fourth Wave Ashwin Ranga,2018-12-19 It s 2100 It has been 25 years since Caesar has taken over the world The
