industrial labor force including stardom and with determining how that work's value accrues from the Hollywood brand stamped onto the product Cohan supports his well theorized and well researched claims with nuanced discussions of over fifty backstudios some canonical and well known and others obscure and rarely seen Covering the hundred year timespan of feature length film production Hollywood by Hollywood offers an illuminating perspective for considering anew the history of American movies

Honor, Romanticism, and the Hidden Value of Modernity Jamison Kantor, 2023-01-19 Despite our preconceptions Romantic writers artists and philosophers did not think of honor as an archaic or regressive concept but as a contemporary even progressive value that operated as a counterpoint to freedom a well known preoccupation of the period's literature Focusing on texts by William Godwin William Wordsworth Jane Austen Walter Scott Mary Prince and Mary Seacole this book argues that the revitalization of honor in the first half of the nineteenth century signalled a crisis in the emerging liberal order one with which we still wrestle today how can political subjects demand real materialist forms of dignity in a system dedicated to an abstract and often impoverished idea of liberty Honor Romanticism and the Hidden Value of Modernity presents both a theory and a history of this question in the media of the Black Atlantic the Jacobin novel the landscape poem and the financial romance

The Hidden Treasure of Dutch Buffalo Creek Jackson Badgenoone, 2015-07-16 An eight year old boy named James aka the wannabe Cisco Kid nearly lost his life as he searched for precious metal in a bone dry southwest Arizona gulley He retrieved only pyrite before a desert flood swept away his world Over the course of half a century James acquired several additional nicknames They were reflections of his multiple personalities His dad called him Traveler or Trav Some coworkers referred to him as Point Man A few colleagues labeled him Knowledge Navigator or Nav Under the cool shimmering waters of Dutch Buffalo Creek in 2014 A D Trav came upon a rusty bayonet It was buried long ago in the Carolina Piedmont This discovery is no coincidence indeed this bayonet is a symbol of

the abundant riches found in the river of history that connects both the past and future The blade reminded Point Man that all that glitters is not gold Nav expanded the search for real treasure beyond the water's edge The blade was a catalyst that drove James to sift through a lifetime of artifacts and bittersweet memories He found riches from the past and caught a glimpse of the future Just as the bayonet glimmered in the depths of the water so does the ongoing work of his family's unseen witnesses the Neverborn They reveal ancient treasures that go far beyond mere gold and silver James is guided into a deeper understanding that he and countless loved ones have been called by name as spoken by the prophet Isaiah I have summoned you by name you are mine When you pass through the waters I will be with you **Anne Frank Zoë**
