Ian Glasper,2023-08-15 Formed in Wiltshire England in 1980 the Subhumans are rightly held in high regard as one of the best punk rock bands to ever hail from the UK Over the course of five timeless studio albums and just as many classic EPs not to mention well over 1 000 gigs around the world they have blended serious anarcho punk with a demented sense of humour and genuinely memorable tunes to create something quite unique and utterly compelling For the first time ever their whole story is told straight from the recollections of every band member past and present as well as a dizzying array of their closest friends and peers with not a single stone left unturned Bolstered with hundreds of flyers and exclusive photos it s the definitive account of the much loved band *The Toilet Salesman* Mike Gilmore,2014-04 Sales representative by day author by night This is the real story behind selling one of life s necessities This is the story of The Toilet Salesman Their official name is toilet or water closet but they have many vernacular names Crapper John or Thunder Buckets are just a few You can hardly go through a day without one but still you give them no respect When they function properly as in flush and forget you never give them a second thought When they clog leak or break they demand your immediate attention Selling toilets is not romantic or likely to be the subject of the latest Hollywood action flick Selling toilets is real everyday hard work to many plumbing sales associates in our country and around the world Millions of people throughout the world have no access to toilets or even clean drinking water In our everyday lives toilets fall into that category of objects we just take for granted This book contains information learned from almost twenty five years in the plumbing trade industry It is tastefully written humorous and filled with valuable information about toilets and the selling process Once you have learned the contents of the narrative you will dazzle your neighbors at the next block party about the inside story of selling toilets **Amps!** Ritchie Fliegler,Jon F. Eiche,1993 Book Electric guitar players can choose from a library full of guitar books but comparatively little has been written about the other 50% of the electric guitar the amplifier This book takes a giant step toward redressing the balance providing the first overall view of amp dom including how amps work profiles of the major manufacturers transistor dinosaurs and their place in amp history reissues vs vintage amps and troubleshooting Terms are defined in the margin as they are introduced and plenty of photos and diagrams illuminate the text
