

UNIVERSITY OF JOHANNESBURG

UJ Supervisor-Linked Bursaries (SLB)

INFORMATION SHEET

1. Bursary Values

Bursary amount to be allocated to the student account will be based on the faculty's discretion. The suggested bursary values are as follows:

Master's full-time	R7 200
Master's part-time	R3 600
Master's part-time and Second semester registration	R1 800
Doctoral full-time	R13 200
Doctoral part-time	R6 600
Doctoral part-time and Second semester registration	R3 300

2. Nomination Deadlines

Faculty Representatives (FR) are required to prepare a list of students nominated for SLB in a form of template provided by Ms. Charlotte Motinyane. There are three deadlines for submission of these lists:

- 2.1 For students registering at the beginning of the year – 08 March 2024
- 2.2 For students registering in April and May – 09 May 2024
- 2.3 For students registering in the second semester – 09 August 2024

3. Quality Checks of lists

Each nomination will be prepared by the FR and be checked by any personnel within the faculty against the information that is loaded on ITS. The discrepancies must be rectified by FR. A nomination list must not be forwarded to the Finance Department for payments until ALL discrepancies have been resolved. Hence payments to students will be delayed as a result of discrepancies.

4. Payment of bursaries to students

FR will submit the lists of students to Student Finances (SF) instructing the SF to pay the bursaries into the student accounts. The bursaries are paid directly by crediting student accounts with the bursary amounts allocated. Any available funds on the student statement can be claimed at the end of the year. Students must complete an online Refund application. The refund process is administered by SF.

5. Quality Control Eligibility Checklist

a) Period of study?

Full-time and part-time master's students in 2024 within two years from the first date of registration may be nominated. If students did not receive the bursary in the first year of study, they may receive it for the second year. However, they cannot be nominated for the third year of study. Similarly, a full-time or part-time doctoral student may be paid only for three years from the first date of registration.

b) Is the student registered?

Only registered students may be nominated. If a student is not registered, they will be removed from the list. During the review of the list prepared in the faculty, the person who verifies the accuracy of the allocations prepared should inform FR about the number of students which were not registered and the onus is on the FR to nominate the student once they are registered.

c) Is the student part-time or full-time?

There are sometimes discrepancies in the actual status of a student and the information on ITS. At times this is as a result of the fact that specific courses can only be registered as part-time and the student is studying or vice versa. FR should keep records of these occurrences in order to validate the amount allocated to students.

d) Is the student registered for the full year or one semester?

This must be indicated on the nomination list as well as it affects the bursary amounts.
