Rich, 2012 Provides a variety of tips to maximize one's usage of the iPad and iPhone covering such topics as customizing settings communicating with iMessage using iBooks making and receiving calls syncing and sharing files using iCloud and managing email **iPhone for Beginners** Imagine Publishing, 2013 *How to Manage* Jo Owen, 2015-08-03 Cuts right through all the myths and mysteries to get straight to the heart of what it really takes to plan organise direct and deliver results Men at Work Annabel Crabb, 2020-09-29 When New Zealand's prime minister Jacinda Ardern announced her pregnancy the headlines raced around the world But when Scott Morrison and Josh Frydenberg became the first prime minister and treasurer duo since the 1970s to take on their roles while bringing up young children this detail passed largely without notice Why do we still accept that fathers will be absent Why do so few men take parental leave in this country Why is flexible and part time work still largely a female preserve In the past half century women have revolutionised the way they work and live But men's lives have changed remarkably little Why Is it because men don't want to change Or is it because every day in various ways they are told they shouldn't In *Men at Work* Annabel Crabb deploys political observation workplace research and her characteristic humour and intelligence to argue that gender equity cannot be achieved until men are as free to leave the workplace when their lives demand it as women are to enter it *OS X Yosemite All-in-One For Dummies* Mark L.
