

8th Grade Research Project

Welcome to the wonderful world of research! In addition to being a Casey tradition for more than 16 years, this project will be a challenging, stimulating and rewarding experience for you as it prepares you for the level and quality of work expected at the high school level. Therefore, please follow all directions very carefully, stay on target, and do your absolute best work.

You will have time to write a **paper**, develop your **oral presentation**, and create a **museum exhibit** in your US Society class, English Language Arts/ELD class and Spanish Language Arts. You will also need to **work nightly** on this project in order to meet all due dates, so **plan and budget your time well**. You will be assigned a research mentor who will provide you with additional support throughout the research process.

Paper

- You will choose from a variety of topics from US history.
- You must analyze the topic, place it in its historical context, and explain its impact on US history.
- You will need a minimum of six (6) primary and secondary sources for your paper: at least two books (or e-books), two Internet sources, and two periodicals or other sources.
- Your paper will be a minimum of 1600 words (app. 5 -7 typed pages) and will include a works cited page. (The works cited page does not count towards your word/page count.)
- Parenthetical (internal) citations are required for this paper. You will receive explicit guidelines on how to use parenthetical references (internal citations) and how to write a proper works cited page that includes each type of source used.
- Your paper should be created on Google drive and shared with your mentor.
Name it - your first & last name, research paper topic
For example: Jennifer Lawrence, *Hunger in America*
- When you print your paper, use all standard conventions for a high school/college quality research paper (MLA format). Specific requirements for MLA format can be found on the back of this page.

Oral Presentation

- The **oral presentation** will be a 5-7 minute summary of your research using your slideshow and museum exhibit for support. You will choose a specific class in which to present your research. Presentations will be given in the same language as the paper.
- Your presentation will include a **slide show** of 6-10 slides with no more than 140 total words. The first slide should contain your title and thesis statement, and the rest must include main ideas that support your thesis statement.

Museum Exhibit

- You will also create a **museum exhibit** to accompany this paper. This portion of your project is fairly open-ended and allows you to showcase your creative side. Your visual teaching tool should be completely related to your research. Science boards, dioramas, models, pop-up books, time capsules are examples of museum exhibits you may create to enhance your presentation. You will receive more details – and see some examples from last year – as we go along.

Points

- You will receive the same grade for US Society and Language Arts Classes

Process and Participation	120 points
First Draft	50 points
Second Draft	40 points
Final Draft	100 points
Oral Presentation and Museum Exhibit	100 points
Total Points Possible For 8th Grade Project	410 points
