Genesis God Said It... a Thirty- Day Journey & Conversations Ethel Green,2015-01-14 The beginning of all beginnings is proclaimed in Genesis God began by creating the physical world and people with spiritual

qualities soul and spirit Genesis becomes part of the discipline of Bible reading and study begun by many each new year Why not start at the beginning we ask With that desire in place my husband and I picked The Daily Bible In Chronological Order 365 Daily Readings TDB I spent extra time searching out the words of God which contributed part of the title for my book GOD SAID IT The expanded title by adding A THIRTY DAY JOURNEY became the impetus for an expanded devotional based on Gods words and topics selected from them Gods highest creation manincluding womanspent their first day resting along with their creator WOW Wouldnt you have liked to hear the conversation between them It was Creator to created Father to child CONVERSATIONS are imaginary words of God as He and the people of Genesis interact The journey of Gods children developed into historyHis story It is also the story of those who would be called Gods chosen people the Jews Some conversations extolled characteristics of heroes of the faith mentioned in Hebrews eleven The Mystical Journey to Divine Union John Paul Thomas,2018-04-23 *Journey through Exodus* Mike Newberry,2023-03-27 In my years of studying the Bible I have found several spiritual principles to be very appealing I have read the promises about the possibility of being an overcomer In the seven letters of Revelation 2 and 3 one reoccurring thing is the promises to the overcomers If one thinks about it you can either be an overcomer or be overcome The choice is easy I would rather be an overcomer I have read the verses about the possibility of living life daily aided by heavenly wisdom Listen to James 1 5 If any of you lack wisdom let him ask of God that gives to all men liberally and upbraids not and it shall be given him I have often asked the church On any given day how often do we need the wisdom to make decisions and find needed direction To answer that question with one hundred would be conservative To add to wisdom we are told that we can tap into the heavenly supplies of strength energy power and patience According to James 1 5 God s not going to fuss at you if you keep coming back again and again asking for more The key to these and all the promises of the Bible are found in the discipline of a daily quiet time When I was in college with God s help I developed this discipline to attribute any spiritual success any success in my Christian life to the help I have found in this daily time with God and my Bible To remove any excuses I have written devotionals for my church We have started in chapter 1 verse 1 of a book in the Bible and have worked our way through it We have covered Genesis Exodus Philippians and Leviticus to mention a few and as long as God gives me strength we will continue The pages in this book contain our thoughts and our understanding of our journey through Exodus **The Inner Journey** Osho,2023-03-12 I would like to talk about the first step for a meditator a seeker What is the first step A thinker or a lover follow certain paths but a seeker has to travel on a totally different journey For a seeker what is the first step on the journey The body is the first step for a seeker but no attention or thought has been given to it Not only at certain times but for thousands of years the body has been neglected The neglect is of two kinds Firstly there are the indulgent people who have neglected the body They have no experience of life other than eating drinking and wearing clothes They have neglected the body misused it foolishly wasted it they have ruined their instrument their veena If a musical instrument for example a veena is ruined music cannot arise out of

it Music is an altogether different thing from the veena music is one thing the veena is another but without the veena music cannot arise

Knowing God through Journey and Pilgrimage Seung Yeal Lee,2011-04-01 The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New Testaments To follow Jesus journey to Jerusalem on the three feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus self understanding and his teaching
