**Shapers of American Childhood** Kathy Merlock Jackson, Mark I. West, 2018-10-08 The experience of growing up in the U.S. is shaped by many forces. Relationships with parents and teachers are deeply personal and definitive. Social and economic contexts are broader and harder to quantify. Key individuals in public life have also had a marked impact on American childhood. These 18 new essays examine the influence of pivotal figures in the culture of 20th and 21st century childhood and child rearing from Benjamin Spock and Walt Disney to Ruth Handler, Barbie's inventor, and Ernest Thompson Seton, founder of the Boy Scouts of America.

**Teaching With Author Web Sites, K-8** Rose Reissman, Mark Gura, 2010 Drawing on extensive classroom experience, the authors demonstrate how shy students, reluctant readers, English language learners, and students who may be less active during class discussion become energized when they explore rich Web sites available from popular, respected children's authors. This book illustrates how this easy, no-risk technology available at a keystroke offers wide-ranging benefits, including inviting students into a literacy community of readers and writers, fostering the development of discrete test-mandated skills, capitalizing on and deepening students' familiarity with the digital world in ways that enhance their literacy growth.

**The One in the Middle Is the Green Kangaroo - Literature Kit Gr. 1-2** Lisa Renaud, 2017-05-31 Find out what it's like to be the middle child and what it means to be able to stand out and feel special. Students gain a deeper understanding of their own mind to visualize what makes them unique. Sort words from the story as short or long vowels. Complete quotes from the story with their missing quotation marks. Recognize whether Freddy practiced for his part before or after he showed how well he could jump. Students draw their own interpretation of Freddy's costume for the play and explain how it fits and some of its important details. Brainstorm things that would make a good play and things that would make a bad play. Students compare themselves to Freddy in a Venn Diagram graphic organizer. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz, and answer key are also included. About the Novel: Freddy Dissel feels trapped between an older brother and younger sister. As the middle child, he

feels neglected by everyone around him He lost his room to his younger sister and now shares with his older brother He doesn't get new clothes of his own but instead wears his brother's hand-me-downs He is too young to play with his older brother but too old to play with his younger sister One day Freddy learns of a school play and decides to try out for it The only problem being it's only for the fifth and sixth graders But that doesn't stop Freddy He lands a special part as the green kangaroo Now Freddy can shine out front no longer stuck in the middle      *Library Literature & Information Science* ,2002
