The Mindful Parent

Charlotte Peterson,2015-11-17

Over the last four decades American hospitals have seen a steady increase in children suffering from psychological disorders peer violence and suicide attempts To figure out why this is happening and how to put an end to it child psychologist Dr Charlotte Peterson has been spending six months every five years living in indigenous villages and observing their parenting practices What she s found is that the people of peaceful cultures particularly the Tibetan Bhutanese and Balinese people know something we Westerners despite our modernity don t and their children are happier healthier and more balanced because of it What Dr Peterson has found is that the children in these cultures are raised with a high degree of cherishing and empathy Attachments are promoted by intensive nurturing of infants and gentle clear limit setting with toddlers that teaches self

control and builds self esteem The result as Dr Peterson has found after visiting these places again and again is children who are trusting enjoyable and kind not spoiled as we might imagine The Mindful Parent brings together Dr Peterson s village interviews observations research and over thirty five years of work as a psychologist to teach modern parents how to raise healthier more well balanced and kinder children It includes creative ideas from parents who are currently adopting these practices and balancing other aspects of their personal career and financial responsibilities to assure their children get the support they need to thrive **Alameda County Public Health News ,1927**
