Vladimir Nabokov D. Rampton, 2012-11-13 A clearly written insightful study of Nabokov the novelist providing an expert analysis of the 17 novels he wrote during a career spanning more than 50 years one of the most impressive challenging and controversial literary achievements of our time *That Other World* Azar Nafisi, 2019-06-25 The foundational text for the acclaimed international best seller *Reading Lolita in Tehran* Empathetic incisive A sweeping overview of Nabokov's major works Graceful and discerning Kirkus Reviews The ruler of a totalitarian state seeks validation from a former schoolmate now the nation's foremost thinker in order to access a cultural cache alien to his regime A literary critic provides commentary on an unfinished poem that both foretells the poet's death and announces the critic's secret identity as the king of a lost country The greatest of Vladimir Nabokov's enchanters Humbert is lost within the antithesis of a fairy story in which *Lolita* does not hold the key to his past but rather imprisons him within the knowledge of his distance from that past In this precursor to her international best seller *Reading Lolita in Tehran* Azar Nafisi deftly explores the worlds apparently lost to Nabokov's characters their portals of access to those worlds and how other worlds hold a mirror to Nabokov's experiences of physical linguistic and recollective exile Written before Nafisi left the Islamic Republic of Iran and now published in English for the first time and with a new introduction by the author this book evokes the reader's quintessential journey of discovery and reveals what caused Nabokov to distinctively shape and reshape that journey for the author *The Crowning of a Poet's Quest* Paola Loreto, 2009 This first extended study of Derek Walcott's *Tiepolo's Hound* 2000 defines the book as the culmination of the poetry and poetics of the Caribbean writer and Nobel Prize winner In this long poem Walcott achieves

three goals pursued throughout his career to develop an original Caribbean aesthetic to meld the modes of poetry and prose and to formulate the Bildung of the island artist in terms of an autobiographical narrative The analysis provides an aesthetic and cultural evaluation of the poem in terms both of the Western poetic tradition to which it refers through its rich intertextuality and of its significance as a postcolonial milestone The commentary locates Walcott in an aesthetic tradition running from Emerson through the American Pragmatists to modernist poets describes his experimental use of certain central narrative strategies in his semi autobiographical long poems which is compared to those of another openly admired bilingual writer Vladimir Nabokov explores Walcott s revision of the epic mode and of the genre of autobiography delineates his unfolding of a post Romantic internalization of the poet s Arthurian quest and discusses his complex treatment of the multi layered metaphor of light as major evidence of the maturity of his style and poetic with their conscious cross fertilization between the literary cultures of Europe and the Caribbean An appendix to this study contains the transcriptions of various Walcott events that took place in Italy in the summers of 2000 and 2001 including a creative writing seminar a press conference and readings This extensive material opens a window onto Walcott s gifts as a teacher to his stringent yet passionate commitment to the art of poetry and to the ways in which he and his students grapple with the challenges of literary translation

Nabokov Leona Toker, 2016-11-01 Vladimir Nabokov described the literature course he taught at Cornell as a kind of detective investigation of the mystery of literary structures Leona Toker here pursues a similar investigation of the enigmatic structures of Nabokov s own fiction According to Toker most previous critics stressed either Nabokov s concern with form or the humanistic side of his works but rarely if ever the two together In sensitive and revealing readings of ten novels Toker demonstrates that the need to reconcile the human element with aesthetic or metaphysical pursuits is a constant theme of Nabokov s and that the tension between technique and content is itself a key to his fiction Written with verve and precision Toker s book begins with *Pnin* and follows the circular pattern that is one of her subject s own favored devices
